FOREWORD

THE 1930 model of the Cub "takes off" from the Red Lion High School in an attempt to break all previous records. . . . The builders of the plane, the staff of '30, hope that it will make a safe landing in the homes of the community and that this flight will be remembered throughout future years.

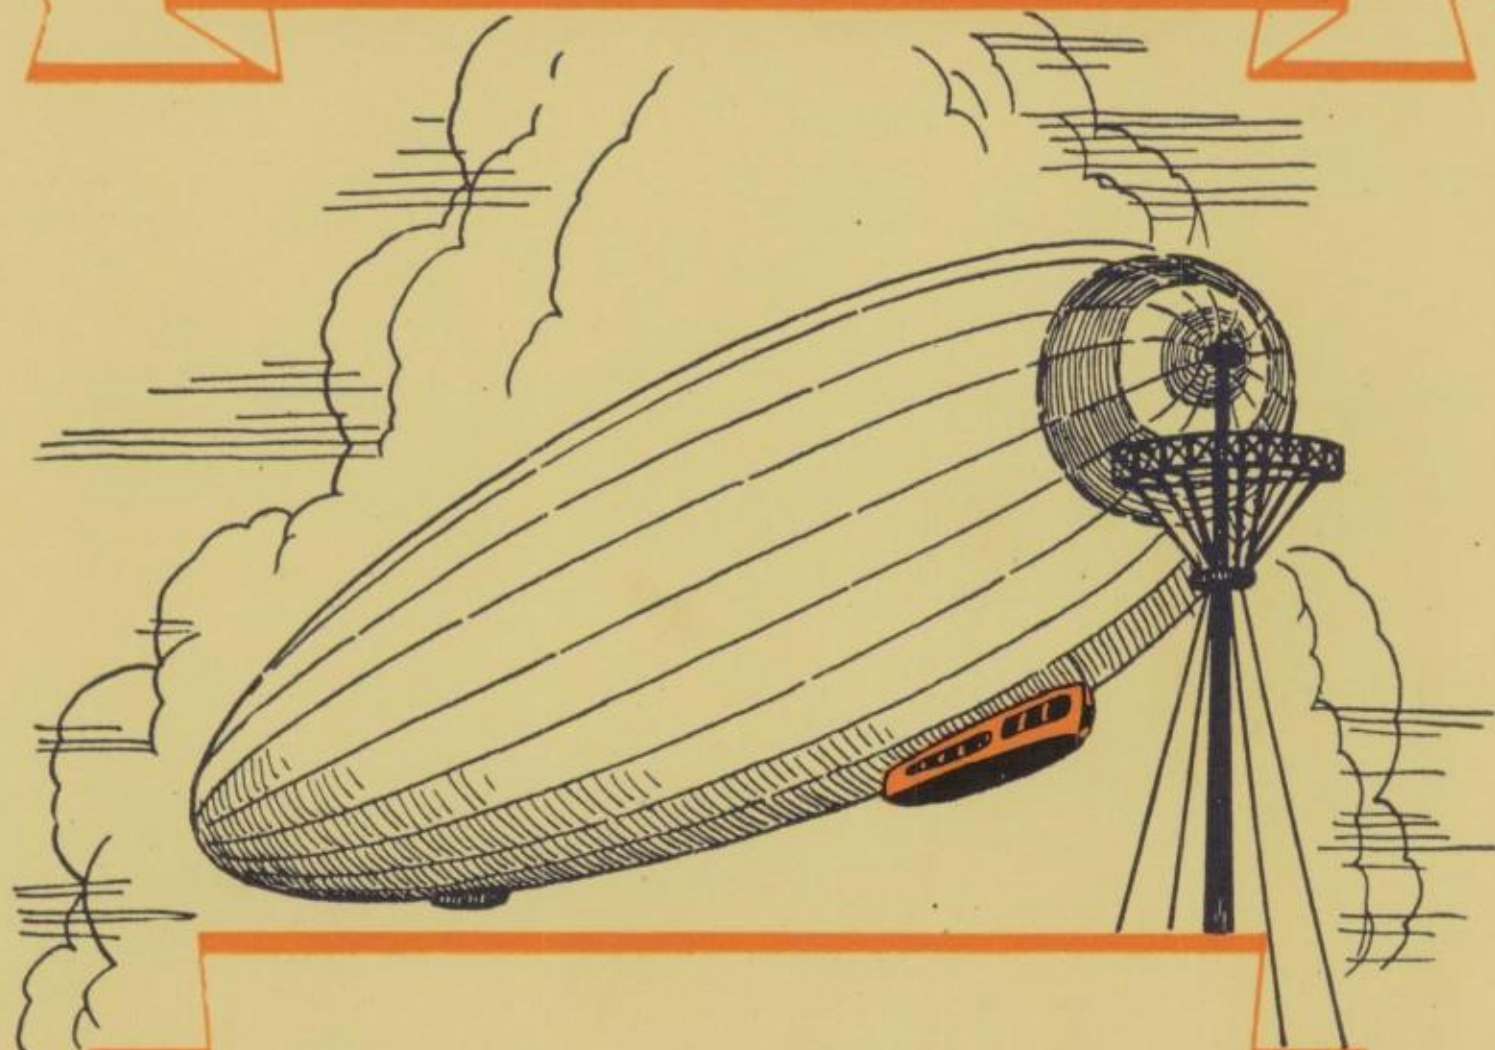

DEDICATION

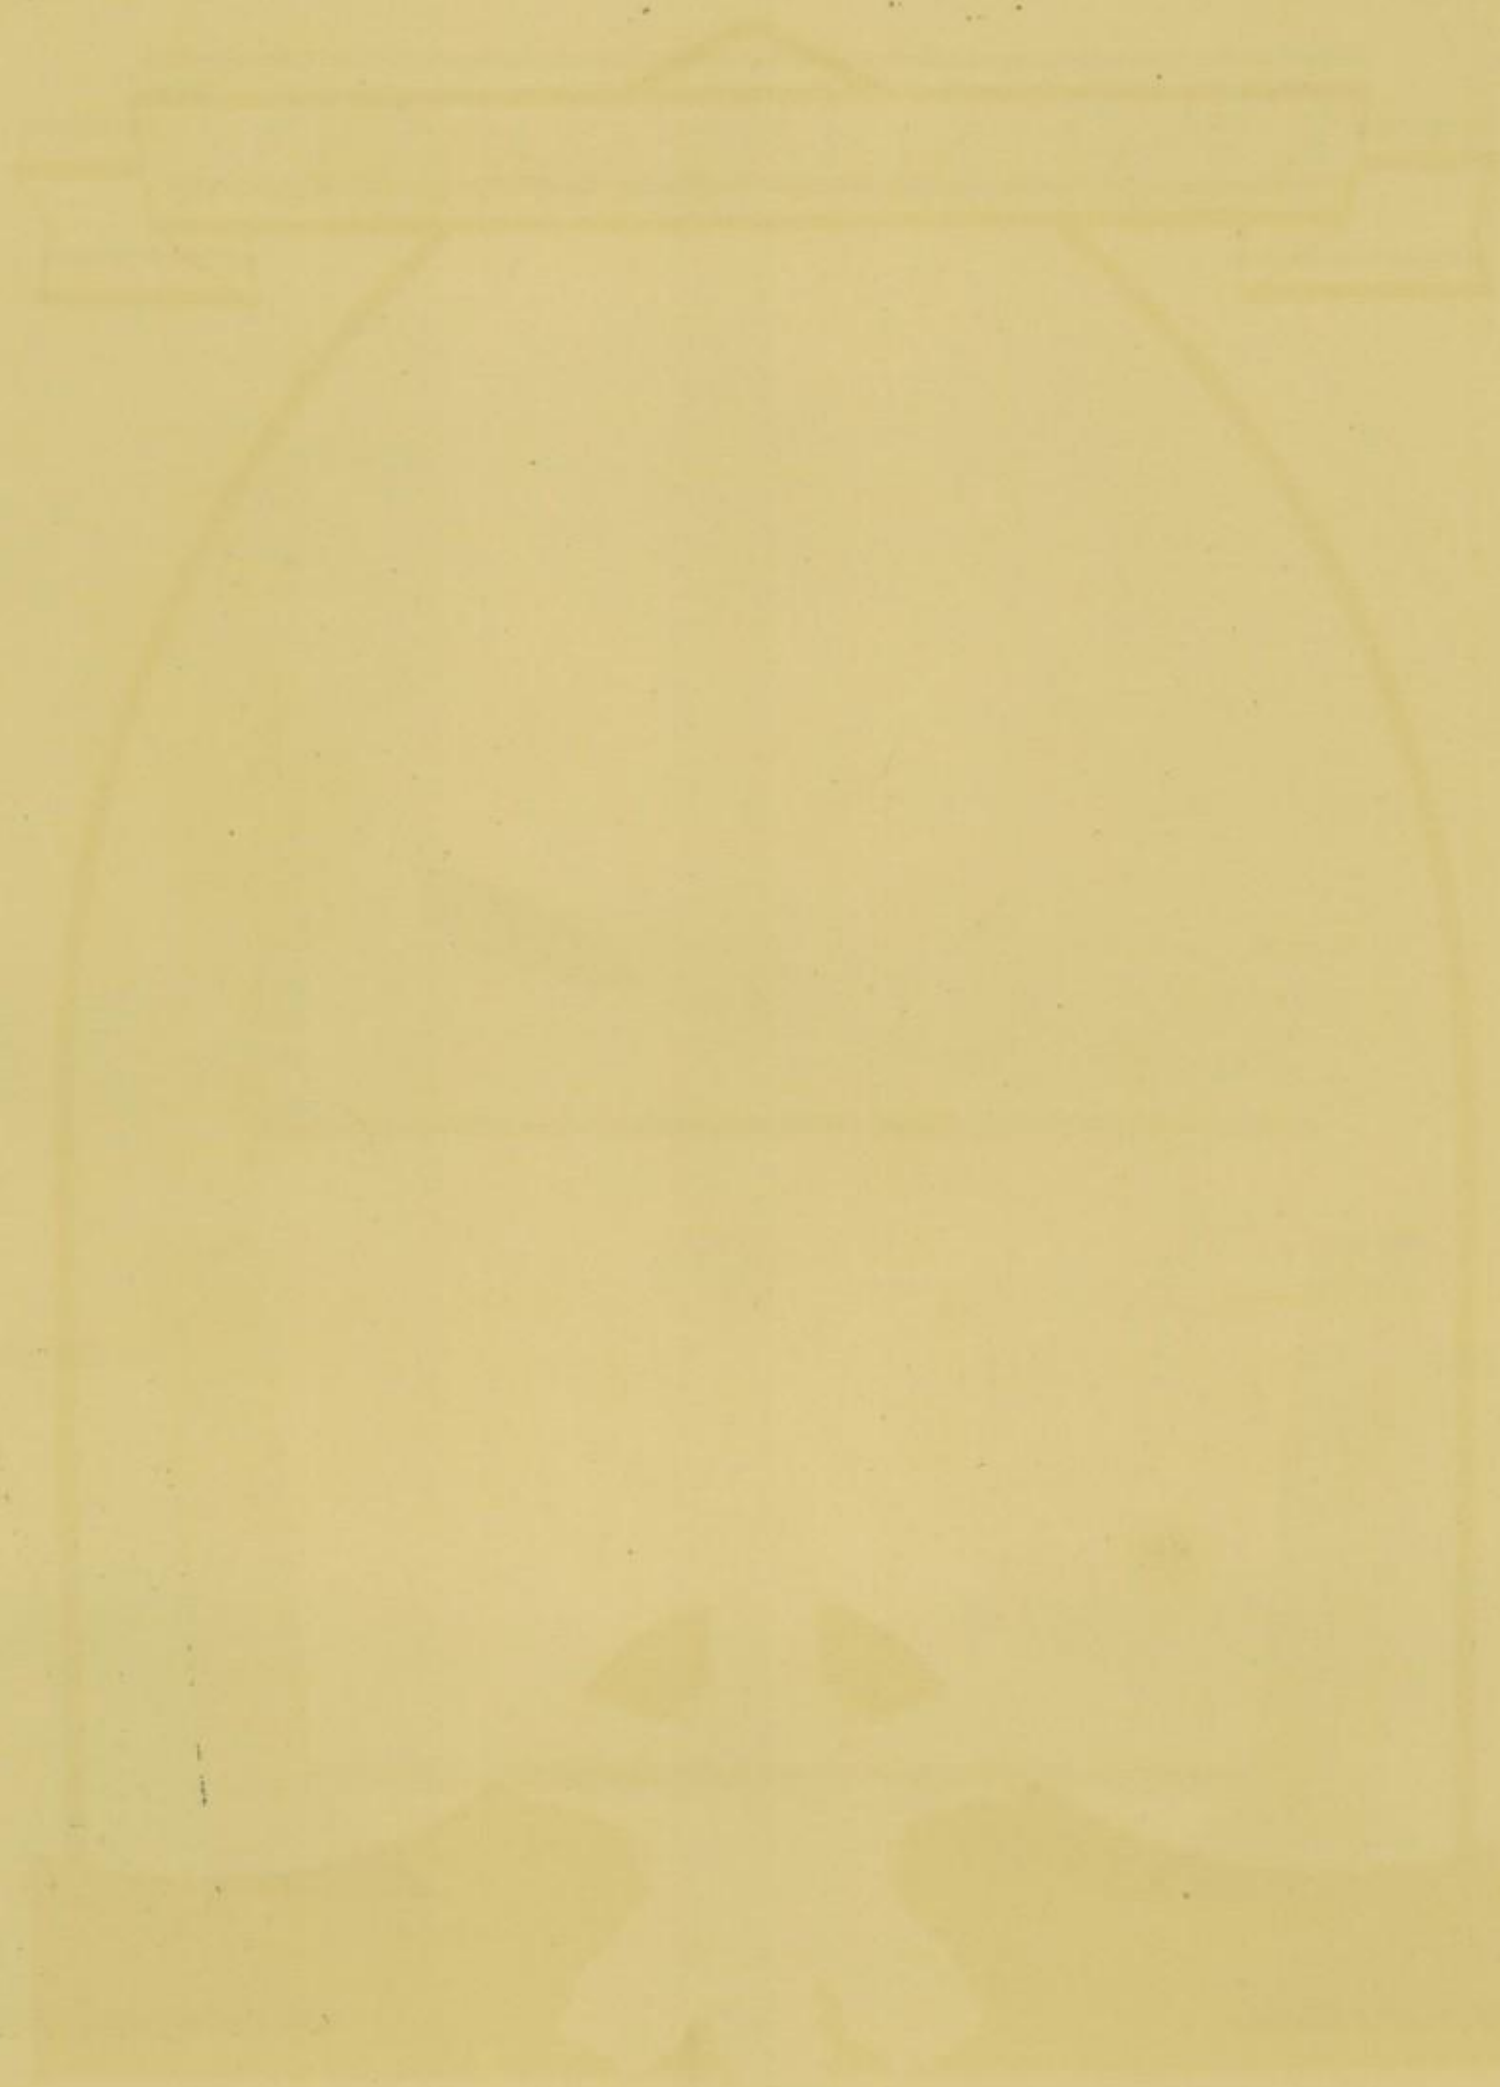

TO Miss Bessie V. Reiver, in appreciation for her 12 years of faithful service in Red Lion High School this Cub is respectfully dedicated. The class of 1930 hopes that she may long continue to maintain in our school the high standards of scholarship and conduct which have characterized her work, and the sympathetic and pleasing manner that has endeared her to all.

THE CLASSES

JOHN KERR ANDERSON

LOWER CHANCEFORD HIGH '29; STAGE MANAGER OF DRAMATIC CLUB 4; CINDERELLA O'REILLY 4.

"Most extraordinary! Pon my word"! Our monocled Englishman comes to us from Lower Chanceford High School and in his one year at Red Lion has become quite popular. Kerr is one of those rare beings who have the happy faculty of knowing that "well-timed silence hath more eloquence than words".

LLOYD DAVID ANDERSON

HOME ROOM PRES. 1; HILLTOP REPORTER 2; TENNIS CLUB 3; LATIN CLUB 3; S. S. GLOBETROTTERS 4; ASSEMBLY LEADER 4.

Lloyd because of his diminutive size is called by the nickname "Pee-Wee". He is a wizard when it comes to science and sometimes believes that the book is wrong. Formerly, Lloyd's name always stood at the top but this year fate decreed that the alphabet should be so arranged that this honor is no longer his. However, his grades speak for themselves.

CURTIS JOHN ANSTINE

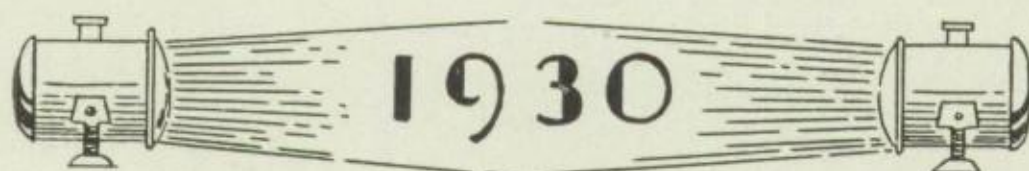

S. S. GLOBETROTTERS 4; LATIN CLUB 3; SENIOR TRACK TEAM 4; LA SOCIETE FRANCAISE 3, 4.

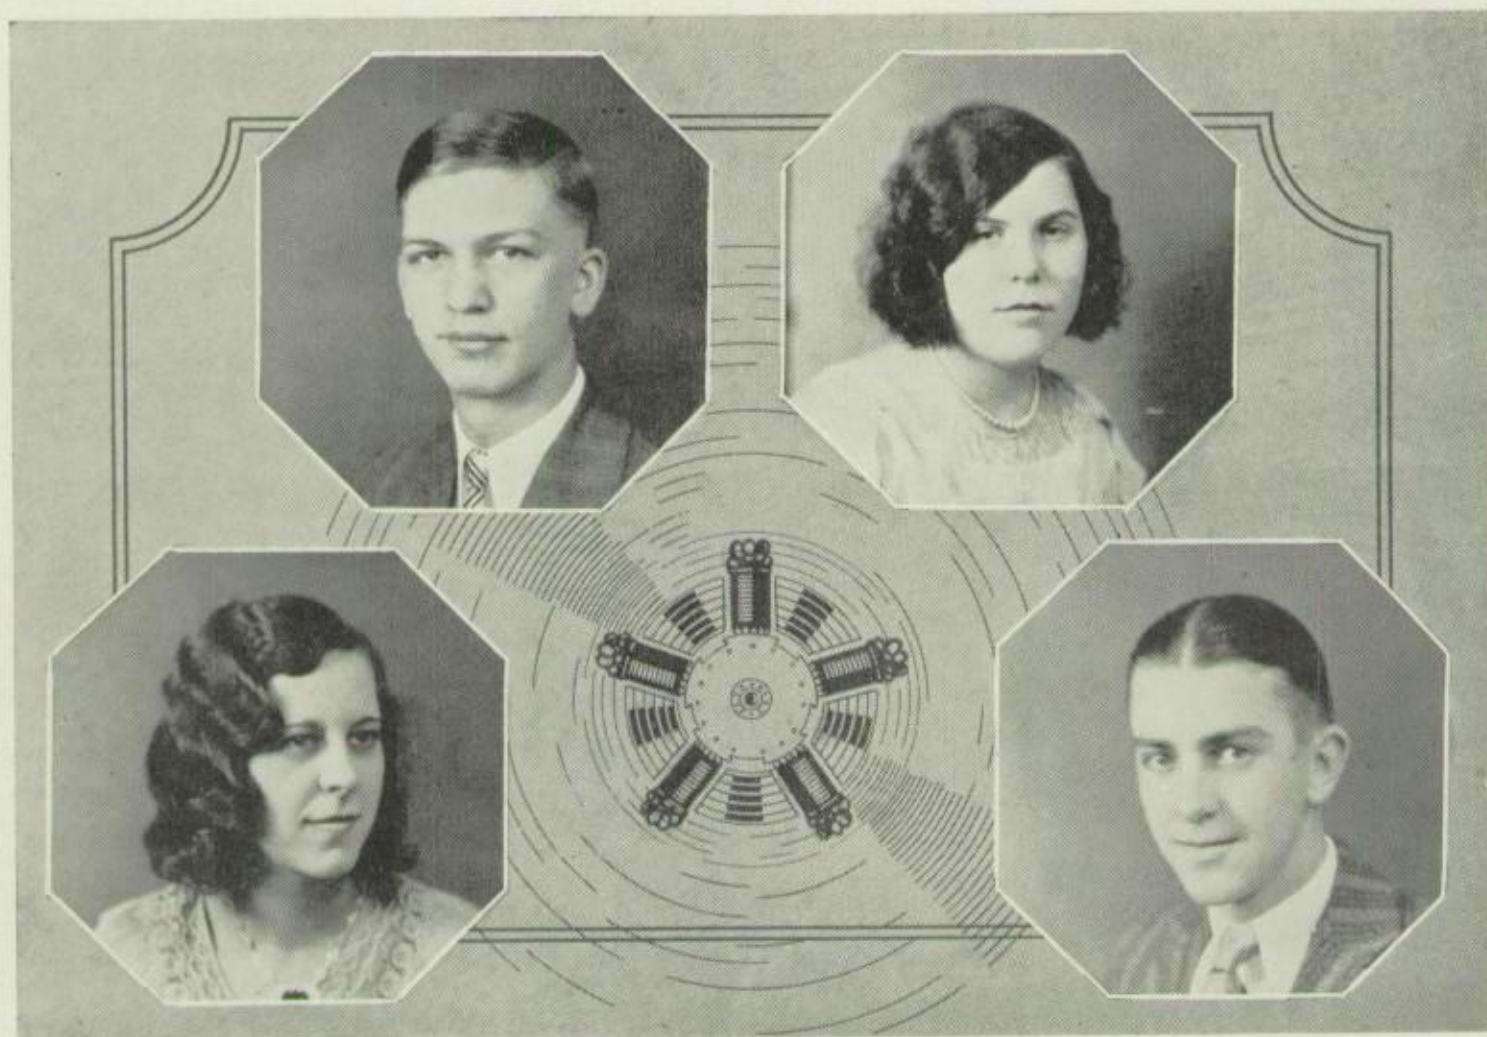

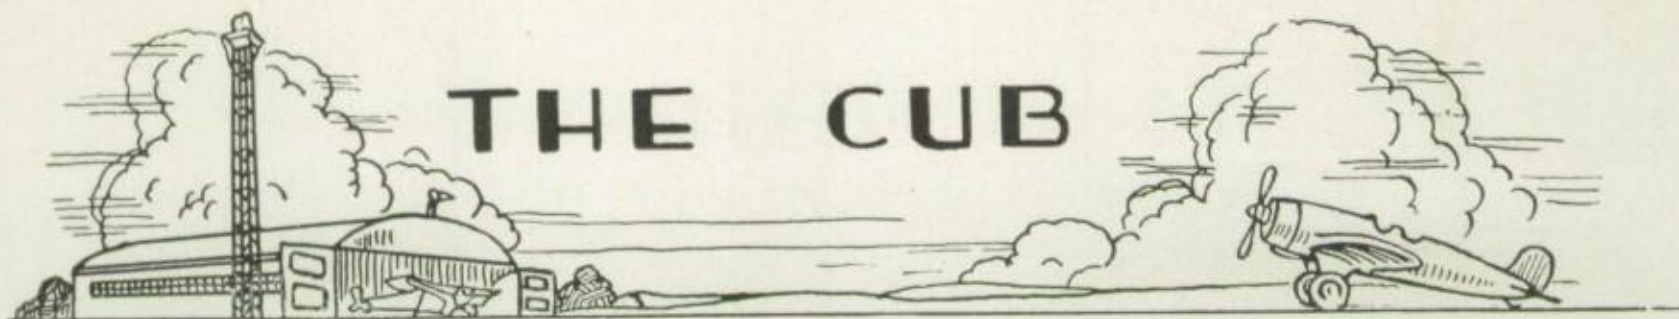

"Curt" is known for his arguments in Chemistry and Problems classes. We usually find him Expostulating on the Einstein Theory or some other weighty question. He is not always serious as members of 12B French can testify and he does enjoy making Dwight recite. What was this we heard in Travel Club of a famous Anstine Alpine Expedition, in which our Curtis performed super-human feats?

ELIZABETH FERNE BAKER

GLEE CLUB 4; NEEDLE CRAFT CLUB 4; GYPSY ROVER 4.

Honk! Honk! Here comes a Ford! A dainty brunette jumps out and runs into the school house. Who is it? Elizabeth Baker! This winsome little Miss from Rebersburg has been with us only a year but has made many friends. She will enter Jefferson Hospital after graduation. We are quite sure her patients "won't want to get well".

WILLIAM EARL BRENNEMAN

ORCHESTRA 3, 4; S. S. GLOBETROTTERS 4;
O. B. SWIFT COMMERCIAL CLUB 3.

This is one of our tall commercial students from East Broadway. Earl can certainly manipulate the keys of his favorite Royal Typewriter more rapidly than any other pupil in the commercial class. Besides his commercial work he has been of great help to the orchestra for the last two years, faithfully blowing his bass horn for us.

EDNA ROMAINE BURG

HILLTOP REPORTER 2; BASKETBALL 1, 2, 3;
VARSITY B.B. 4; TENNIS CLUB 2, 3, 4; LA
SOCIETE FRANCAISE 3, 4; GYM CLUB 4;
GLEE CLUB 4; GYPSY ROVER 4; GIRLS' RE-
SERVE CLUB 4; CINDERELLA O'REILLY 4.

"Burgie" will be missed on the basketball squad next year. She is another member of "our gang" and has the versatility which characterizes them: ability in French, English, Glee Club, Basketball, and Tennis—endless pep—and sad to relate, an addiction to chewing gum.

RUTH EMMA CRISWELL

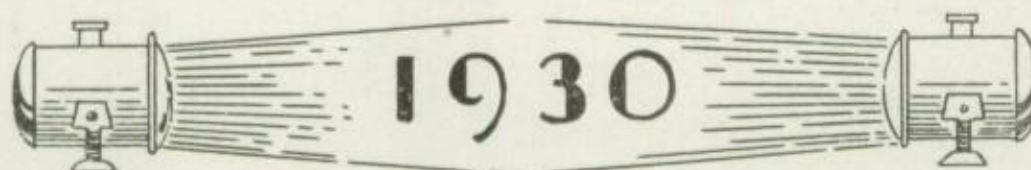

TREASURER OF HOME ROOM 1; VICE-PRESI-
DENT O. B. SWIFT CLUB 3; GIRL RESERVE
CLUB 4.

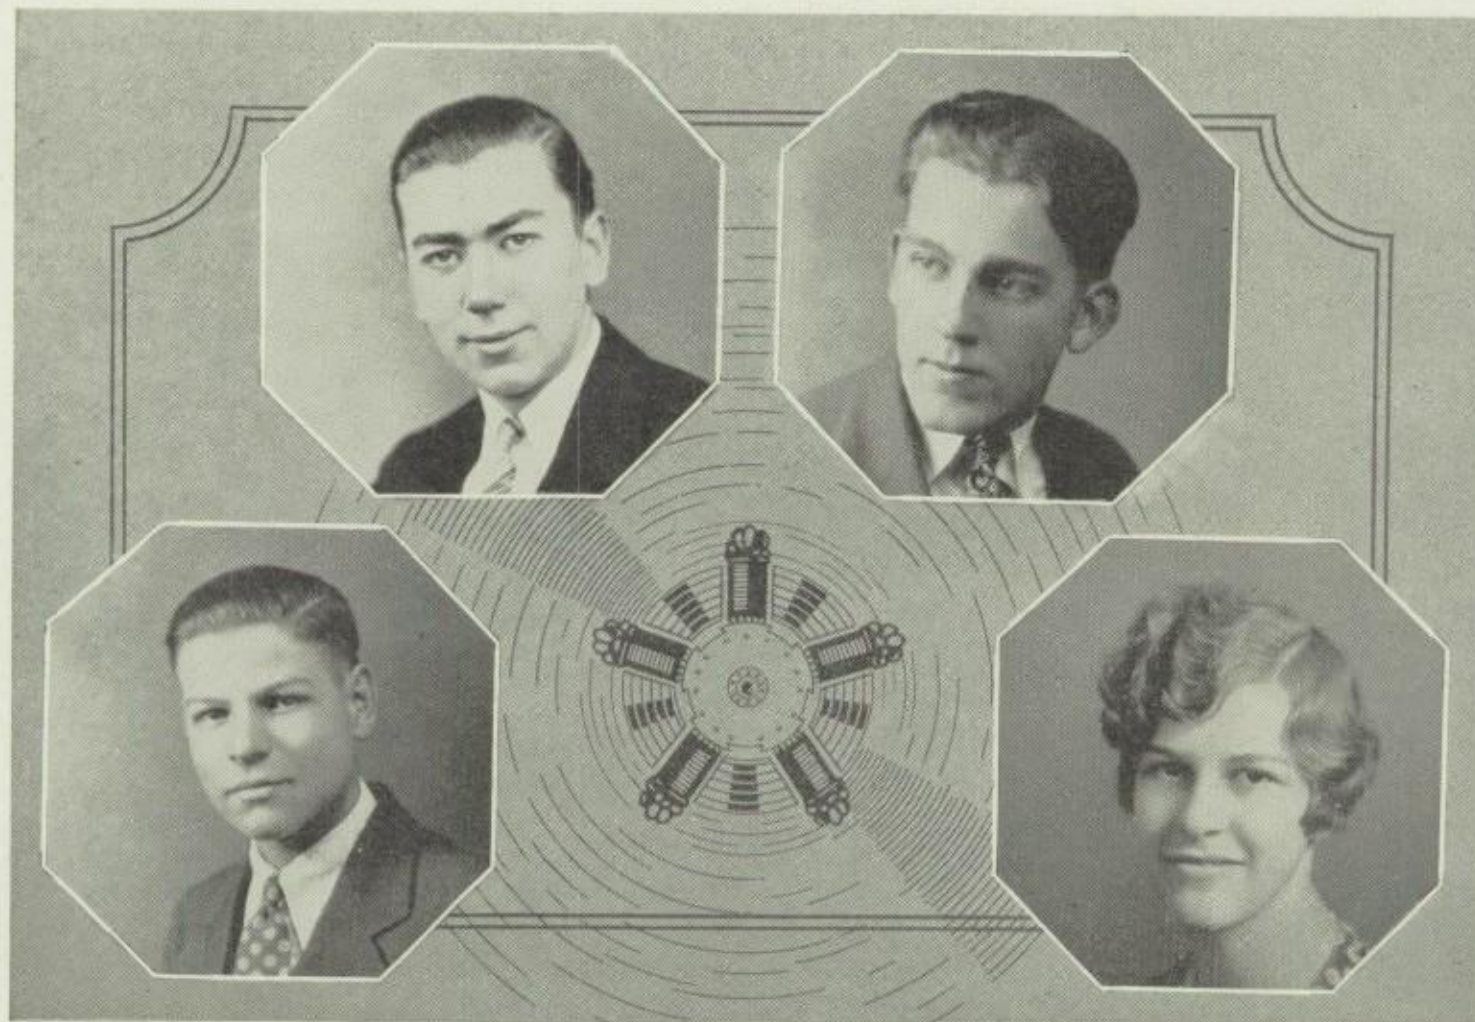

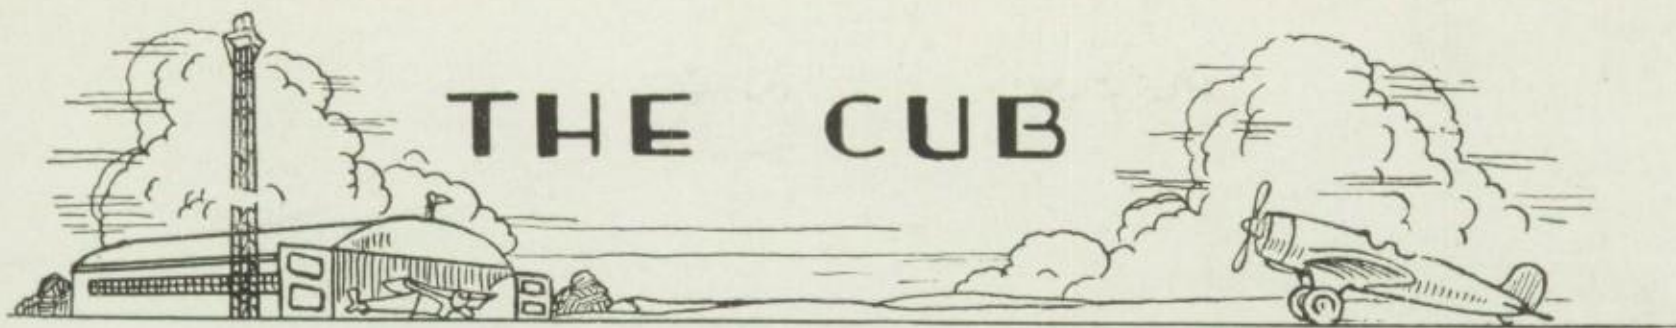

Ruth is one of the jolly girls of the commercial class. Those unwelcome marks in conduct on her Law report are the results of "Eddie's" entertainment. Wherever we find Ruth, Myrtle is sure to follow. She is among the few who get "A's" in Shorthand and English.

OTTO ORVAL DETWILER

SENIOR HIGH SCHOOL ORCHESTRA 2, 3, 4;
LATIN CLUB 3; BASEBALL 3, 4; S. S. GLOBE-
TROTTERS 4; CLASS BASKETBALL 3, 4;
NATIONAL ATHLETIC HONOR SOCIETY 3;
HIGH SCHOOL BAND 4; LA SOCIETE FRAN-
CAISE 3, 4.

A faithful member of our orchestra, Otto has contributed much of his time to its success. "The pipes of Pan" might well wish for so loyal and sympathetic a player. Otto is light-hearted and seldom heard to grumble over his assignments. Unlike many musicians he takes a keen interest in sports and has played on the class basketball and school baseball teams.

DONALD JAMES EATON

TENNIS CLUB 2, 3; O. B. SWIFT CLUB 3;
COMMERCIAL CLUB 2; GLEE CLUB 4; BAS-
KETBALL, 2ND TEAM 2, 3; VARSITY
BASKETBALL 4.

Here he is. "Mose" thinks "better late than never" is a good motto and usually practices it. He is always entertaining some one and Miss Stauffer thinks he has missed his calling. His greatest enthusiasm is basketball. Who hasn't enjoyed and perhaps been annoyed by his calm self-assurance on the basketball floor?

ALLAN ALBRIGHT FREY

ORCHESTRA 2, 3, 4; BASKETBALL 3, 4;
BASEBALL 1, 2, 3, 4; CLASS TRACK 3, 4;
JOURNALISTIC CLUB 3; DRAMATIC CLUB 4;
GYPSY ROVER 4; ASST. CIRCULATION MGR.
OF CUB 3; ADVERTISING MGR. OF CUB 4;
LA SOCIETE FRANCAISE.

"Scot" may well be envied for two things: his attractive blue sport model, and (we hope he doesn't mind our mentioning it) his good judgment in the matter of girls. He deserves much credit for his consistent playing on the second basketball team, which makes a varsity possible and on the varsity itself when needed. Last spring Allen was in the finals of the tennis tournament.

PAUL ROWAN ENFIELD

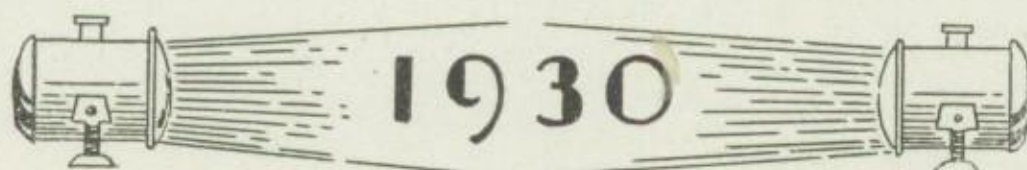

ASSEMBLY PROGRAM COMMITTEE 4; S. S.
GLOBETROTTERS 4; HILLTOP STAFF 4; O. B.
SWIFT CORPORATION 3.

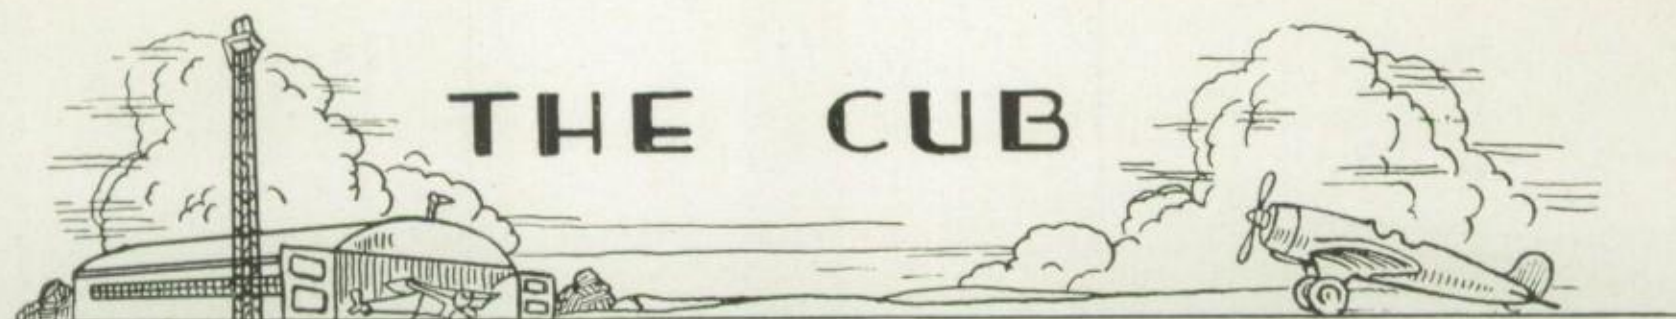

Paul, a bashful, studious youth can be seen wending his way to class with a look of confidence which displays his willingness to learn. He never says much but what he says carries some weight. His motto is "Silence is Golden". The Travel club can vouch for his keen sense of humor.

GLADYS ROMAINE GEMMILL

GLEE CLUB 4; THE GYPSY ROVER 4; LA
SOCIETE FRANCAISE 3, 4; FIRST AID CLUB
3; GIRLS' RESERVE CLUB 4; TENNIS CLUB
2, 3; HIKING CLUB 2.

One of the twins of the Senior Class. "Glad" also is a member of that famous "Broadway Gang" and it is said that she has quite a few friends of the opposite sex. Her aim is to become a nurse but she intends to enter a finishing school before taking up this profession.

MILDRED ELLEN GEMMILL

LA SOCIETE FRANCAISE 3, 4; THE FIRST AID CLUB 3; THE GYPSY ROVER 4; TENNIS CLUB 2, 3; GLEE CLUB 4; GIRL RESERVE 4.

"Glad's" double! To some people "Mil" seems very dignified, but learn to know her as one of the "Broadway gang" and you will form a different opinion of her. As a domestic science teacher we can easily imagine "Mil" making delicious cookies and tarts. After her career as a teacher we are wondering for whom she will make cookies.

SARA ALICE GEMMILL

LOWER CHANCEFORD H. S. '29; NEEDLE CRAFT CLUB 4.

"Sally" entered R. L. H. S. during her Senior year. During this time she has made many friends and has proved herself to be a worthy student. Sara says she can't be bothered with boys, she rises too early. She hopes to become the future librarian of R. L. H. S.

EVELYN MAE GIPE

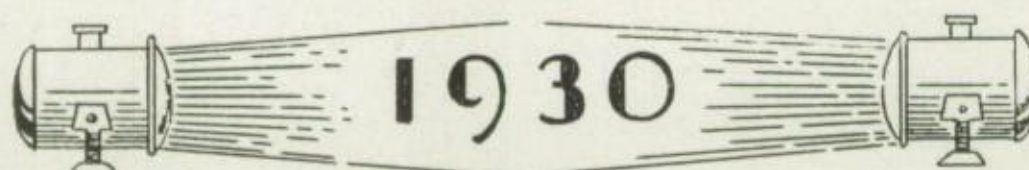

CLASS PIANIST 1; CLASS BASKETBALL 2, 3; HIKING CLUB 2, 3; ORCHESTRA 3; BIRDS' CHRISTMAS CAROL 2; GYPSY ROVER 4; FIRST AID CLUB 3; MINSTREL SHOW 2; GIRLS' RESERVES 4; LA SOCIETE FRANCAISE 3, 4; GLEE CLUB 2, 4.

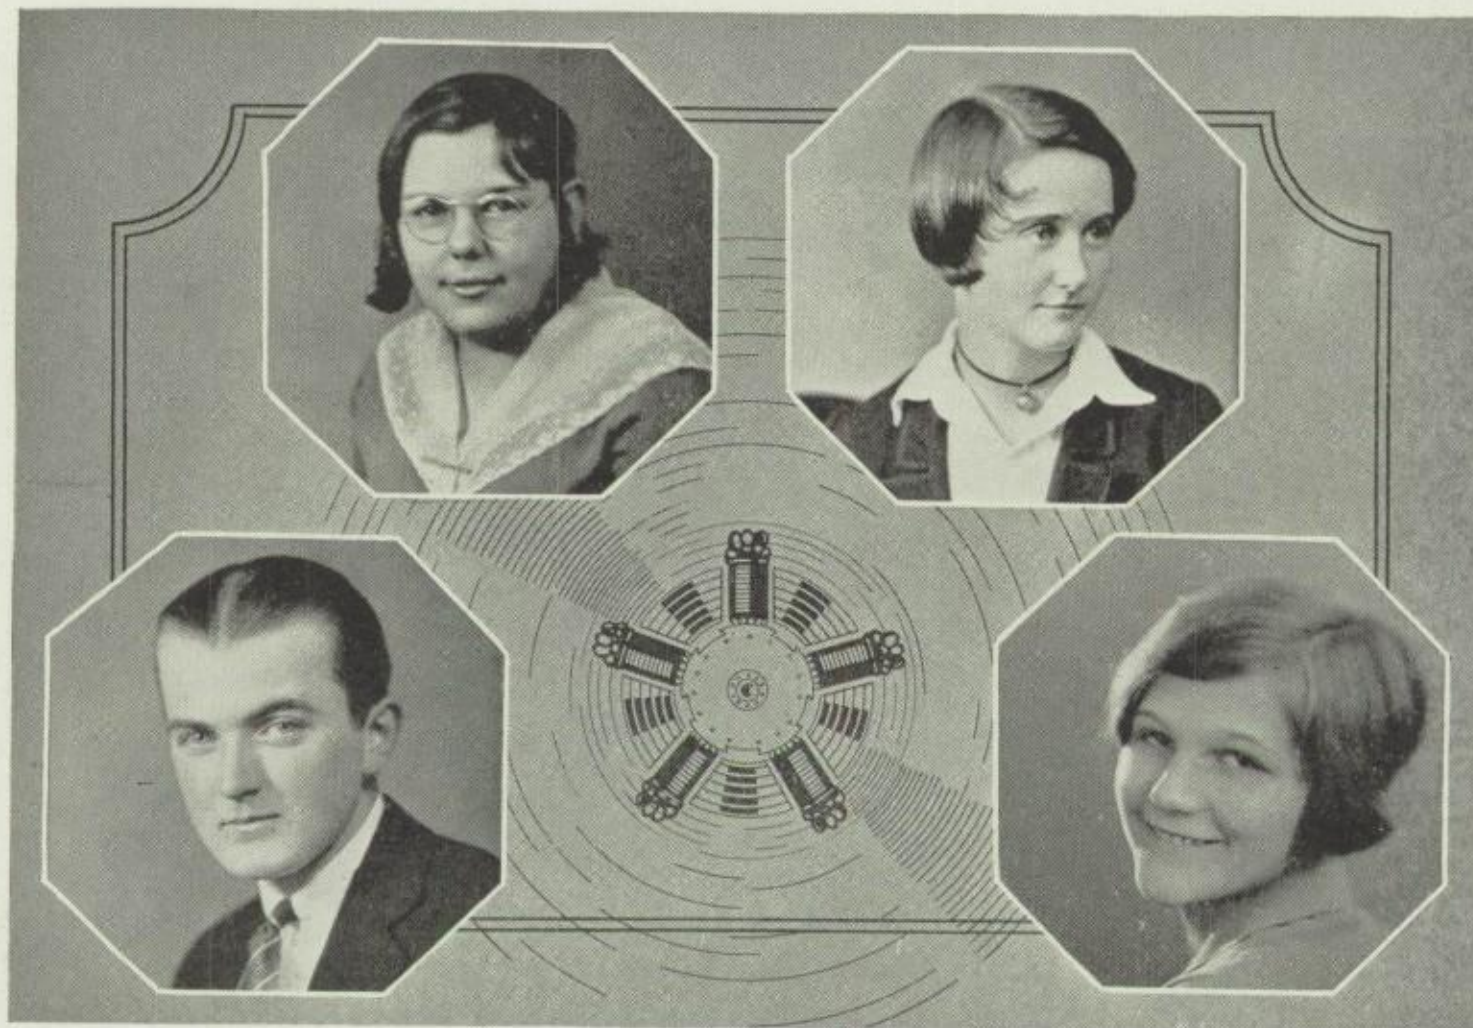

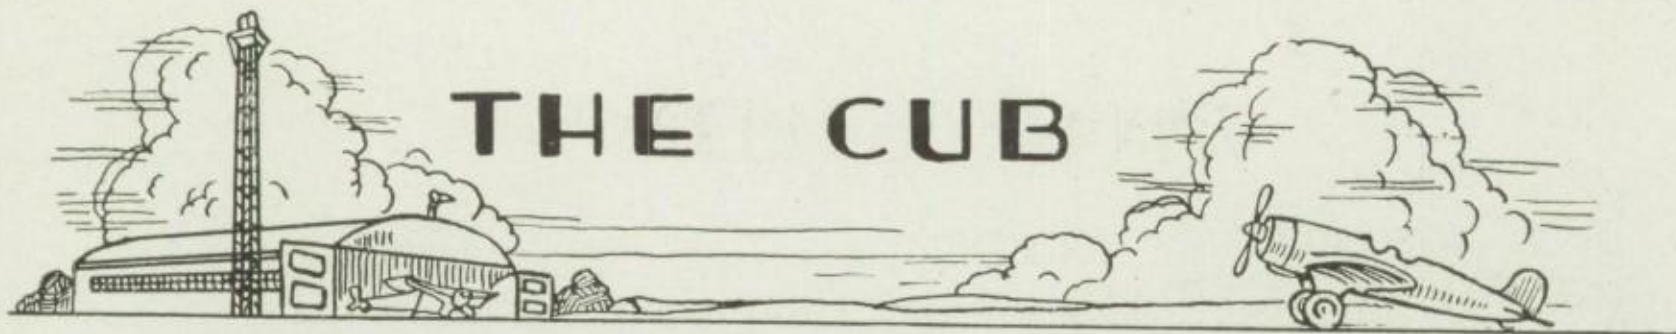

"Tis true that she is much inclined to talk and chatter with all mankind". But then, so do we all and why bring that up? "Eps" enjoys playing the piano and singing. In her future profession, nursing, not only will she be able to cure her patients but entertain them as well.

DANIEL DWIGHT GROVE

ORCHESTRA 4; DRAMATIC CLUB 3; BOYS' CHORUS 4; SEC. LA SOCIETE FRANCAISE CLUB 3, 4; CHEMISTRY LABORATORY ASST. 4; CLASS BASKETBALL 4; HIGH SCHOOL BAND 4; BUSINESS MANAGER CUB STAFF 4; NATIONAL HONOR SOCIETY 4.

This young student from Winterstown is always seen wearing a smile. Does he know that his curly hair and dimples are very attractive? When you want a chemist, go to Dwight. This year he is Mr. Becker's assistant and has proved himself worthy of the office.

ANNA MYRTLE HERBST

HILLTOP REPORTER OF O. B. SWIFT COMMERCIAL CLUB 3; HILLTOP REPORTER OF GIRLS' RESERVE CLUB 4.

Emerson says "A gentleman makes no noise, and a lady is serene". Where could we find a better example for the later phrase than Myrtle. She has been very persistent in her efforts to gain an education during these four years and for this reason they have been a decided success.

CHARLOTTE E. HILDEBRAND

CHEERLEADER 3, 4; VARSITY BASKETBALL 4; CLASS BASKETBALL 1, 2, 3; HIKING CLUB 2, 3; GLEE CLUB 4; GYM CLUB 3; GIRLS' RESERVE CLUB 4; GYPSY ROVER 4; LA SOCIETE FRANCAISE 3, 4; TENNIS CLUB 2, 3.

"Shrimp" furnishes us excellent proof that size is not the only thing that counts in basketball; for she has taken an active and successful part in athletics since her Freshman year. Practice directing the noise made by "our gang", has won for her the position of Cheerleader.

RAYMOND CARL HERSHNER

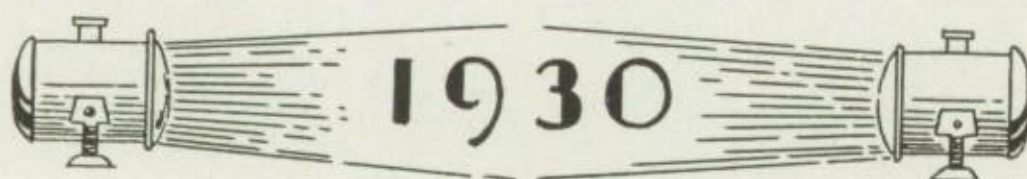

SCHOOL ORCHESTRA 1, 2, 3, 4; SCHOOL BAND 4; BOYS' GLEE CLUB 4; VIATOR CLUB 3; TREASURER OF TENNIS CLUB 2, 3; LA SOCIETE FRANCAISE 3, 4; PRES. OF CURRENT EVENTS CLUB 4.

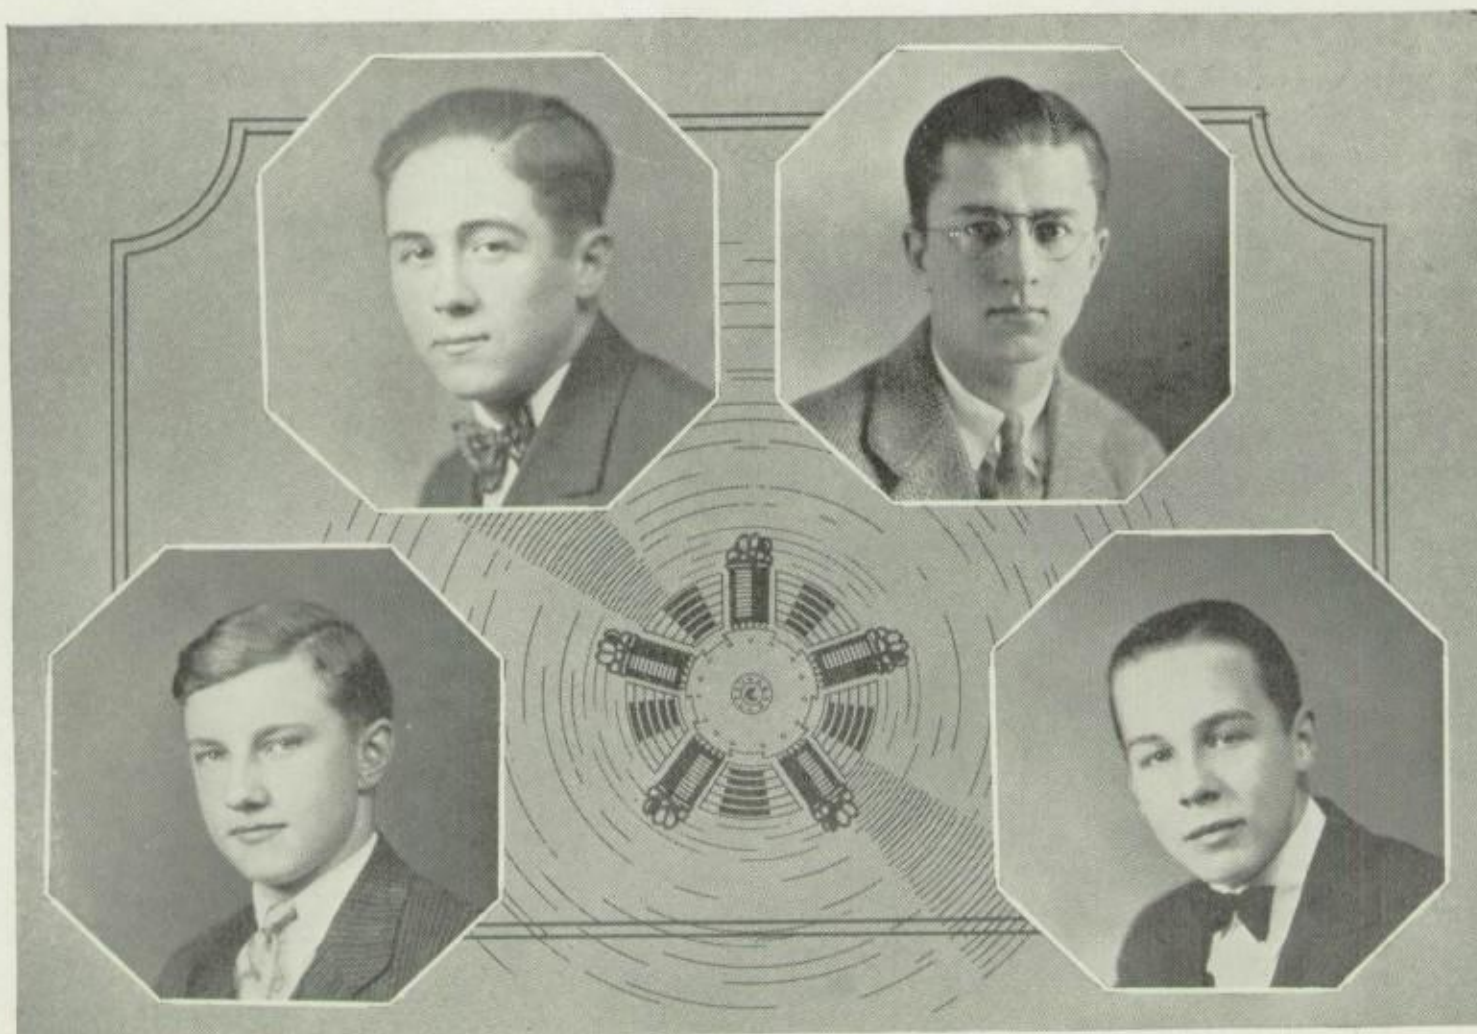

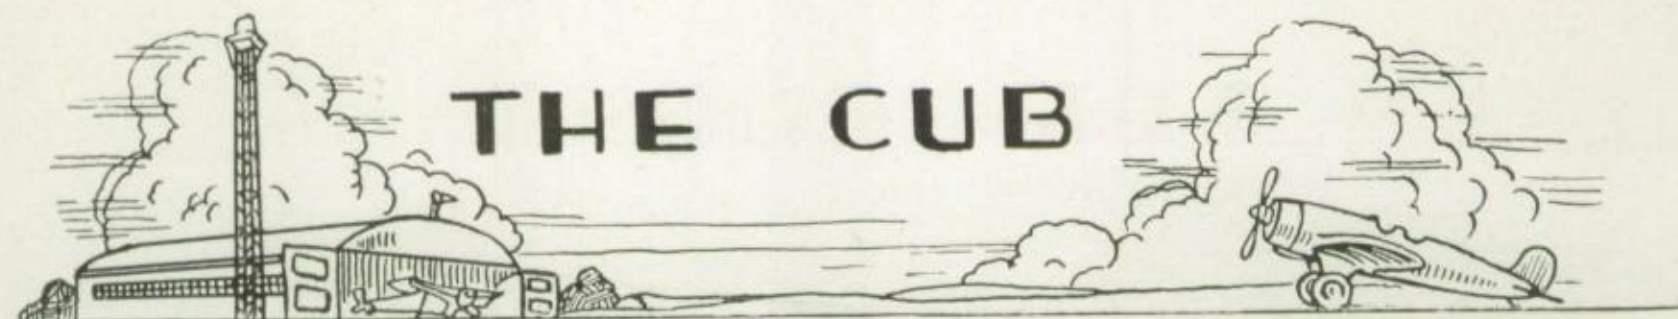

Hershner has been one of the "main stays" of our orchestra during his sojourn in R. L. H. S. and a constant cause of satisfaction to its director. In the class room he is quiet but when released from school is very mischievous and hilarious.

ANNA REBECCA HOLTZINGER

HILLTOP REPORTER 2, 3, 4; CONSUL OF LATIN CLUB 3; DRAMATIC CLUB 4; ASST. EDITOR OF CUB 3; EDITOR IN CHIEF OF CUB 4; MEMBER IN NATIONAL HONOR SOCIETY 3, 4; CINDERELLA O'REILLY 4; HOME ROOM PRESIDENT 3; STUDENT LIBRARIAN 3; SECRETARY OF CURRENT EVENTS CLUB 2; JOURNALISTIC CLUB 2.

Hear Ye! All ye who wish to be a success in Red Lion High School. If you want to hear a perfect recitation, read a good Hilltop article, see a cleverly interpreted role in a play, or ride with an efficient chauffeur; go to Anna, "consider her ways and be wise".

EARL SYLVESTER HOWARD

NATIONAL HONOR SOCIETY 3, 4; CIR. MGR. CUB 4; SEC. OF CLASS 4; THE WHOLE TOWN'S TALKING 3; LA SOCIETE FRANCAISE 3; PRES. OF LA SOCIETE FRANCAISE 4; PRES. HOME ROOM 4; VIATOR CLUB 3; DRAMATIC CLUB 4; DEBATING TEAM 4.

Notice how Earl's activities have increased the last two years. This is concincing proof of his popularity among the students and the faculty's confidence in him. Earl won a great deal of approval for his interpretation of the role of Chester Binney in "The Whole Town's Talking" last year.

WILTON JOSEPH HUTTON

HIGH SCHOOL ORCHESTRA 1, 2, 3, 4; MUSIC CONTEST 2; HIGH SCHOOL BAND 3, 4; STUDENT BAND LEADER 4; CLASS BASKETBALL 3, 4; CLASS TRACK 2, 3, 4; VIATOR CLUB 3; BOYS' GLEE CLUB 4; LA SOCIETE FRANCAISE 3, 4; CURRENT EVENTS CONTEST 3.

It's a well known fact that if you like to do a thing, you are apt to do it well. Most certainly "Sousa" must enjoy playing his cornet! Indeed we are grateful to him for the support he has given the band and orchestra and know that these organizations will miss him greatly next year.

RICHARD CLARK JACOBS

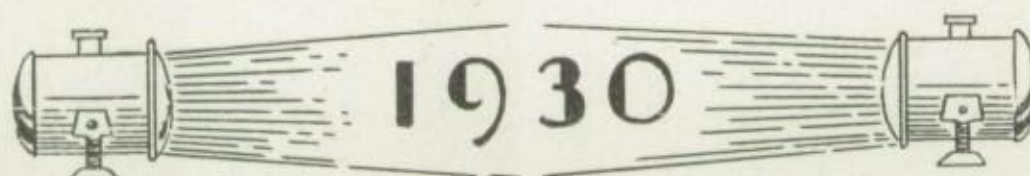

CLASS BASKETBALL 1, 2, 3; GYPSY ROVER 4; LA SOCIETE FRANCAISE 3, 4; GLEE CLUB 4; HILLTOP STAFF 3; HOME ROOM SEC. 2; TENNIS CLUB 2, 3; JOURNALISTIC CLUB 3; BUSINESS MANAGER HILLTOP 4.

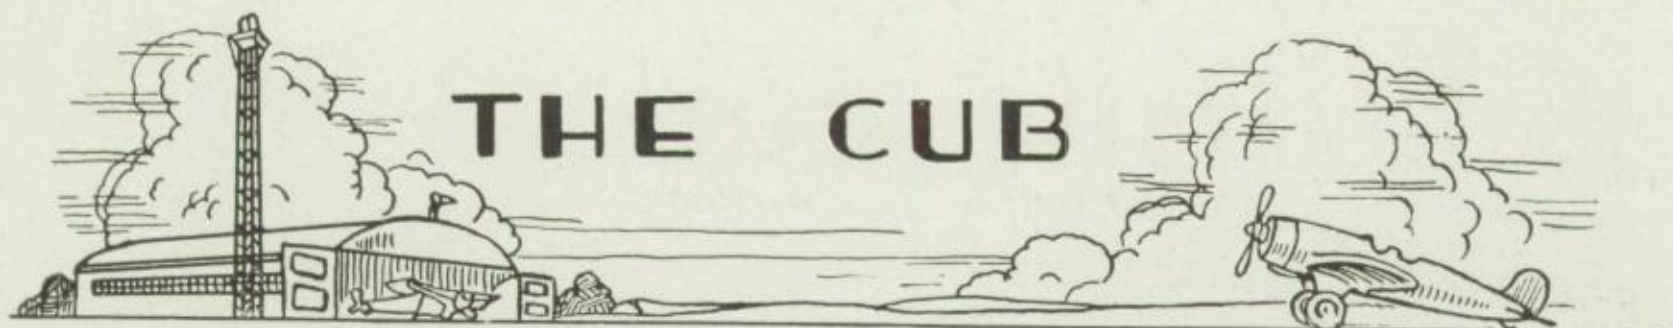

Honk! Honk! Get out of the way! Here comes "Boob" in his new model "tin lizzie". Wherever we see Clark, we are certain to find "Bill". "Boob" is very popular among the Seniors and we understand that he is an asset to the Hilltop staff. Clark expects to enter college after graduation.

WILLIAM B. KERR

O. B. SWIFT COMMERCIAL CLUB 2, 3; TENNIS CLUB 2, 3; HILLTOP STAFF 3, 4; DRAMATIC CLUB 3, 4.

"Bill" is already a business man and can tell you whether the general trade is as good as or better than last year. Remember "bold bad pirate" of the dramatic club program! "Pieces of eight! Pieces of eight"! But don't confuse the pirate and the business man or you may offend not only William but his employer as well. Bill is often seen with a little blonde.

FLO BERNICE KINARD

CLASS BASKETBALL 1; PENMANSHIP 1; GLEE CLUB 1, 2, 4; YANKI SAN 1; ORCHESTRA 2; CAPT. B.B. VARSITY 3, 4; PRES. FIRST AID CLUB 3; HIKING CLUB 3; TENNIS CLUB 3; PRES. JUNIOR CLASS 3; PRES. GIRLS' RESERVE 4; LA SOCIETE FRANCAISE 3, 4; GYPSY ROVER 4; NATIONAL HONOR SOCIETY 4.

Sunny laughter and red curls typify this Senior maiden. She has great ability as a basketball player for she has been captain of the varsity for the last two years. If ever we need the attention of a nurse, we hope Flo will be available.

JOHN OLIVER KINARD

Varsity BASKETBALL 1, 2, 3, 4; Varsity BASEBALL 1, 2, 3, 4; TRACK TEAM 1, 2, 3, 4; GLEE CLUB 4; AVIATOR CLUB 3; LA SOCIETE FRANCAISE 3, 4; GYPSY ROVER 4; ORCHESTRA 1, 2, 3, 4.

How many of the girls of R. L. H. S. have not envied Oliver's "permanent marcel"? This young man has won popularity as one of the forwards on the basketball varsity. We never see "Jack" without his smile. The Cub is wondering about the little brunette seen so often in Kinard's "Star".

CHARLOTTE BERYL KOHLER

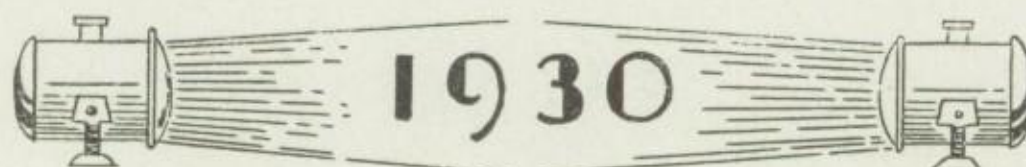

CLASS BASKETBALL 1; ZANER PEN AND INK CLUB 1; BIRDS' CHRISTMAS CAROL 2; GYPSY ROVER 4; CINDERELLA O'REILLY 4; MINSTREL SHOW 2; HIKING CLUB 2, 3; DRAMATIC CLUB 3, 4; GLEE CLUB 1, 2, 3, 4; ORCHESTRA 4; TENNIS CLUB 2, 3; SEC. OF TENNIS CLUB 2; PRES. OF GLEE CLUB 4; HILLTOP STAFF 1, 4; LA SOCIETE FRANCAISE 3, 4.

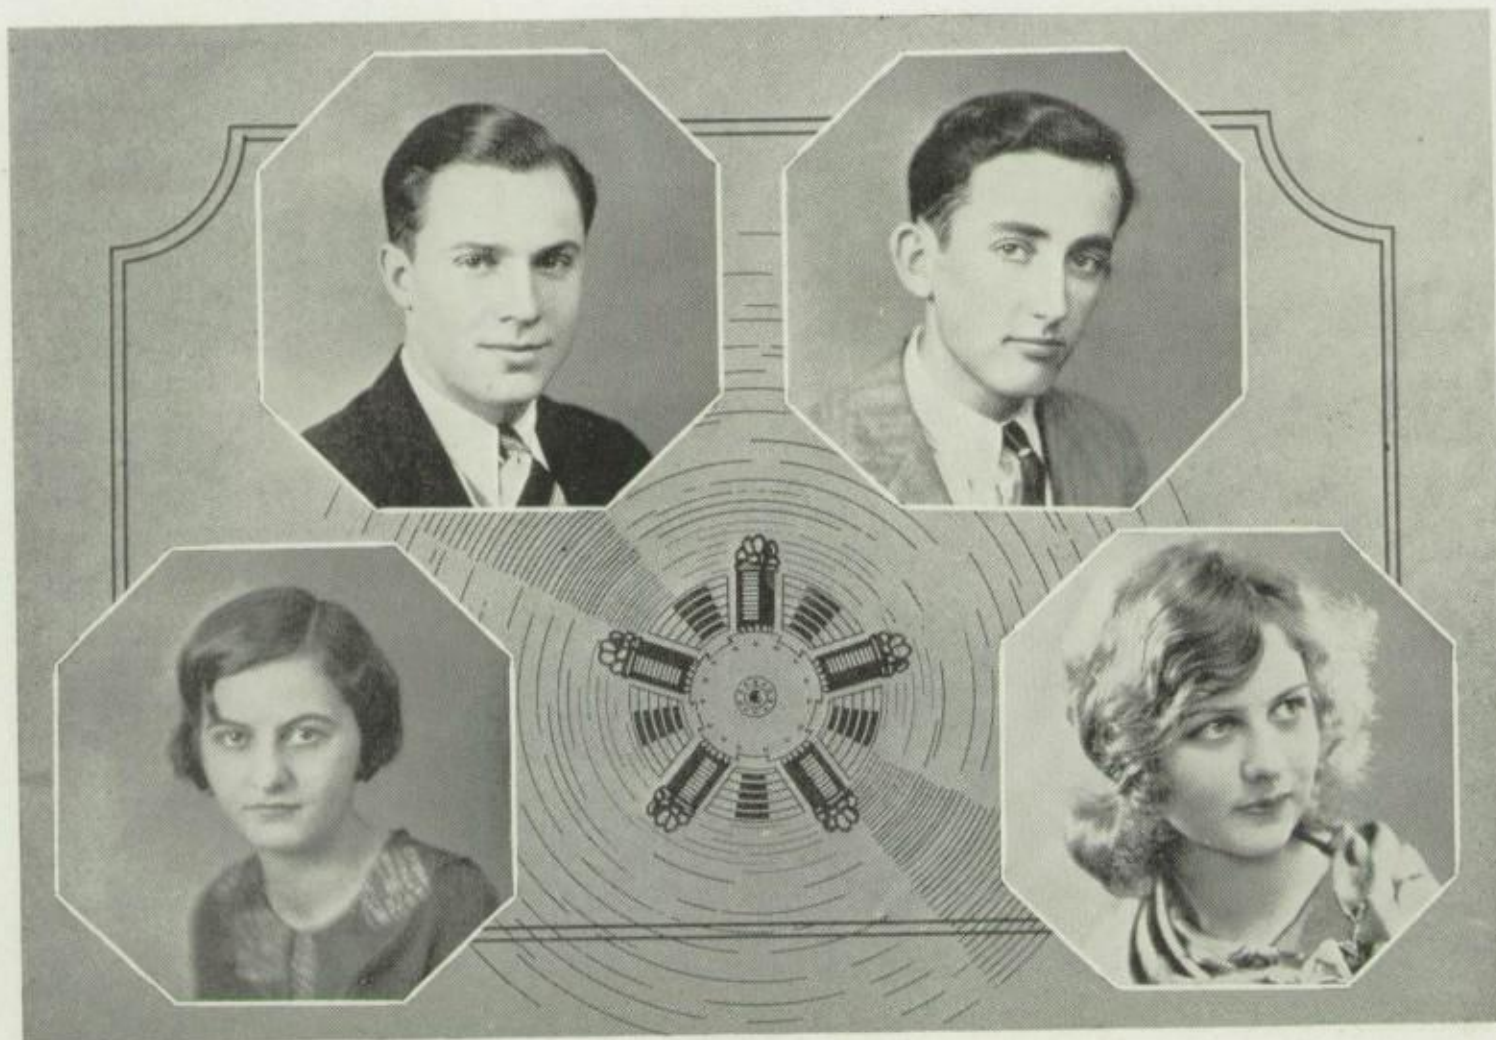

Charlotte's hair "is like the fairy flax" and she has the other attributes which should accompany it—merry laughter, blue eyes and willowy slenderness. To the entertainments produced by the high school she has contributed both her musical and dramatic ability.

KEREN S. LANDIS

O. B. SWIFT CORPORATION 3; SEC. GIRLS' RESERVE CLUB 4; HILLTOP STAFF 4; NATIONAL HONOR SOCIETY 4.

Keren has rendered much service to our school paper by typing most of the articles. This is a long and sometimes tedious task, requiring hours after school. We are most grateful to Keren for her cheerful efficiency. Her aim should be to become typist for some high government official who travels to disarmament conferences accompanied by his stenographer.

FOSTER MARTIN LAUCKS

VARSITY BASKETBALL 1, 2, 3; VARSITY BASEBALL 1, 2, 3; ORCHESTRA 1, 2, 3, 4; SEVENTEEN 1; AM I INTRUDING! 3; THE WHOLE TOWN'S TALKING 3; DRAMATIC CLUB 3; H. S. QUARTETTE 2, 3, 4; TENNIS CLUB 2, 3, 4; ASST. ADV. MGR. CUB STAFF 3; ADV. MGR. HILLTOP 3, 4; PRES. LA SOCIETE FRANCAISE 4; ASSEMBLY LEADER 4; PRES. SENIOR CLASS 4; HIGH SCHOOL BAND 3, 4; BOYS' GLEE CLUB 3, 4; TRACK 1, 2, 3; CINDERELLA O'REILLY 4; GYPSY ROVER 4; PRES. BOYS' GLEE CLUB 4.

"Halt! Who goes there"? Just take another look and you will see Foster Martin Laucks, most popular male of the Senior Class. Besides playing a saxophone in the High School Orchestra he is able to portray the most difficult part in any dramatic production. He is also an outstanding athlete as well as class leader.

GRACE KATHRYN LUTZ

B.B. RESERVES 2; VARSITY B.B. 3, 4; HIKING CLUB 2, 3; TRACK TEAM 2, 3; GYMNASIUM CLUB 3; TENNIS CLUB 3; GIRLS' RESERVE CLUB SEC. 4.

Another of the members of our basketball squad! We know that Grace is chauffeured about in a Hudson. But who is the driver? Can you tell us? Her ambition is to be a nurse, and a good wife for some man.

WARD HENCIL MATTHEWS

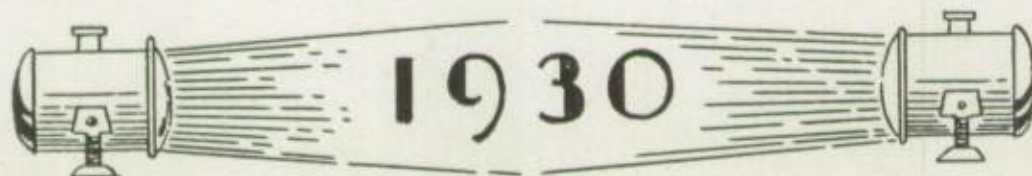

PRES. OF JUNIOR COMMERCIAL CLUB 3; TENNIS CLUB 3; CLASS BASKETBALL 3, 4; HOME ROOM PRES. 4; PRES. OF 30 ACES AVIATION CLUB 4; DEBATING TEAM 4; ASST. CIRCULATION MGR. OF HILLTOP 3; MANAGING EDITOR OF HILLTOP 4; CINDERELLA O'REILLY 4; NATIONAL HONOR SOCIETY 4.

Another member of the "Senior Sky-scraper Club". Irish is always willing to help his school and he does it in a way that brings him nothing but admiration. Though very modest, he is quite popular with the opposite sex.

ROMAINE ELIZABETH MCGUIGAN

THE BIRDS' CHRISTMAS CAROL 1; HIKING CLUB 2, 3; TENNIS CLUB 2, 3, 4; SEC. OF JR. COMMERCIAL CLUB 3; O. B. SWIFT CLUB 3; TREAS. OF JUNIOR CLASS 3; GYPSY ROVER 4; GLEE CLUB 4; PRES. OF GIRLS' RESERVE CLUB 4; HILLTOP STAFF 4; SEC. OF HOME ROOM 4.

"Skin" is very likable and is popular among our students. There are some persons who can express themselves without words. For example, remember Romaine as the "Wild Irish Rose" and the possessor of "the skin you love to touch". Romaine wishes to become an interior decorator.

MARY BERTHA MCPHERSON

O. B. SWIFT CLUB 3; GIRLS' RESERVE 4;
CLASS BASKETBALL 4.

Once more we find quietness and goodness combined—this time we are speaking of a lass from Springvale. "Bert" can efficiently handle a typewriter. Shorthand is another of her "easy" subjects. She believes in saying little and doing much. Bertha expects to be a stenographer after leaving school and we know she will surely make an office hum.

VALESKA IRENE MEADS

BIRDS CHRISTMAS CAROL 2; THE WHOLE TOWN'S TALKING 3; THE GYPSY ROVER 4; CINDERELLA O'REILLY 4; BASKETBALL 1, 2, 3, 4; TENNIS CLUB 2, 3, 4; GLEE CLUB 4; HIKING CLUB 2, 3; GYM CLUB 3; GIRLS' RESERVE CLUB 4; LA SOCIETE FRANCAISE 3, 4.

Let's add Valeska to the list of distinguished blondes of the Senior Class. Her familiar gestures when reciting, her ability as an actress, her athletic strength, and her best "boy-friend" are all quite well known around the school. She has had many romances during her four years, but we are inclined to believe this is the most serious.

DOROTHY IRENE MERGENTHALER

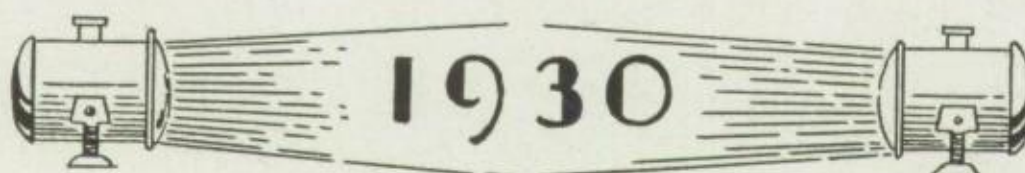

LATIN CLUB 3; NEEDLECRAFT CLUB 4.
NATIONAL HONOR SOCIETY 4.

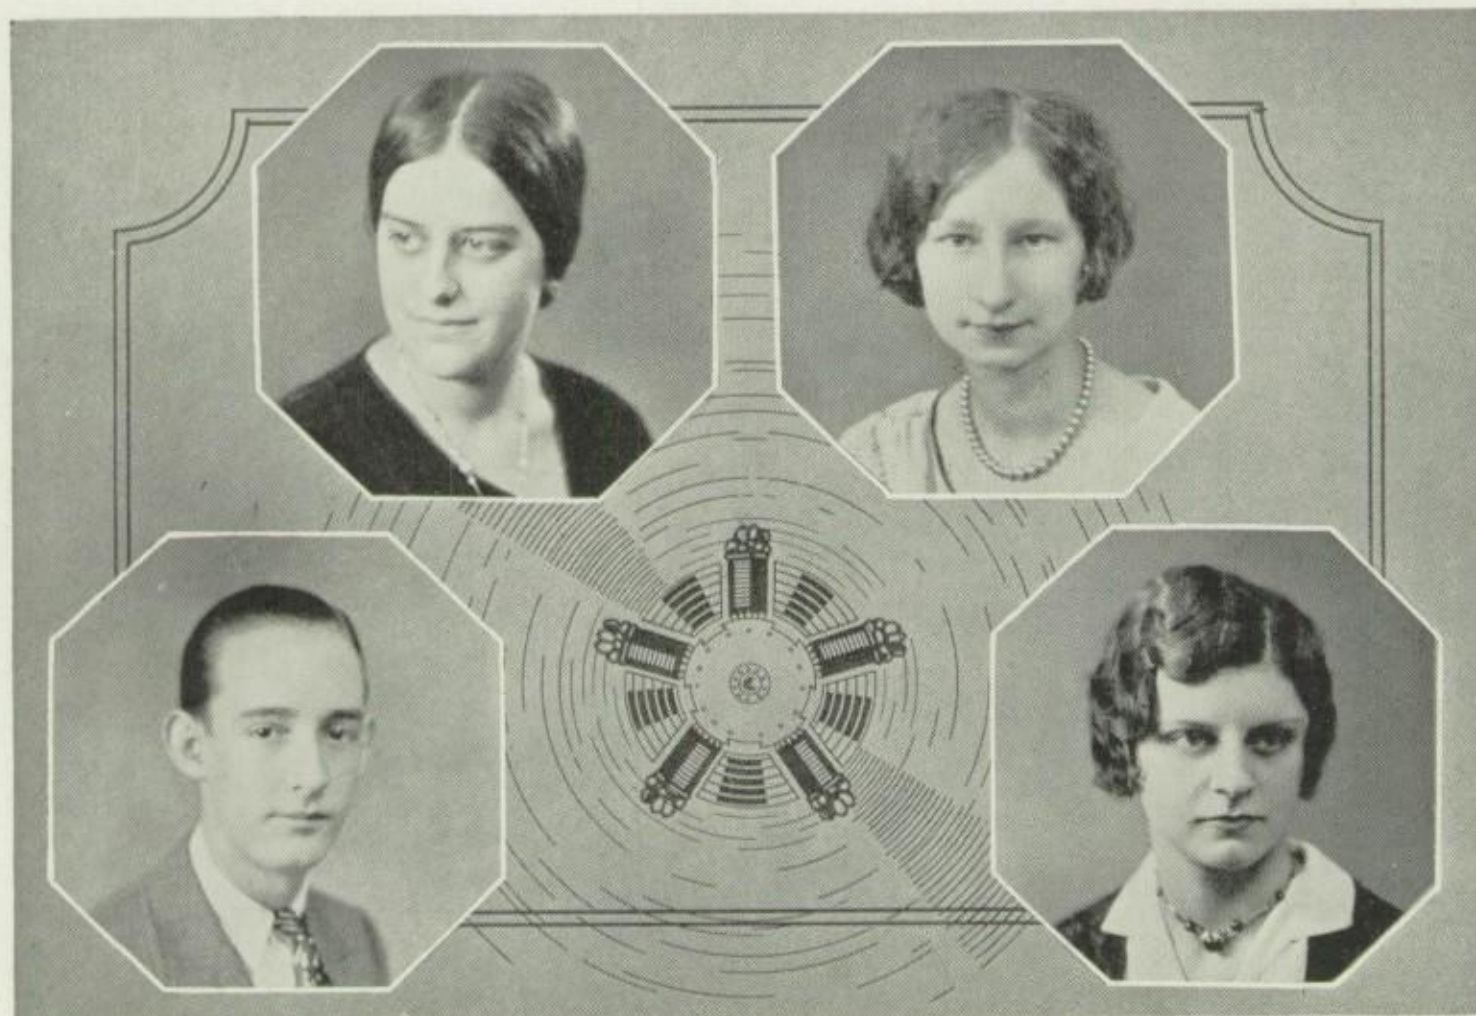

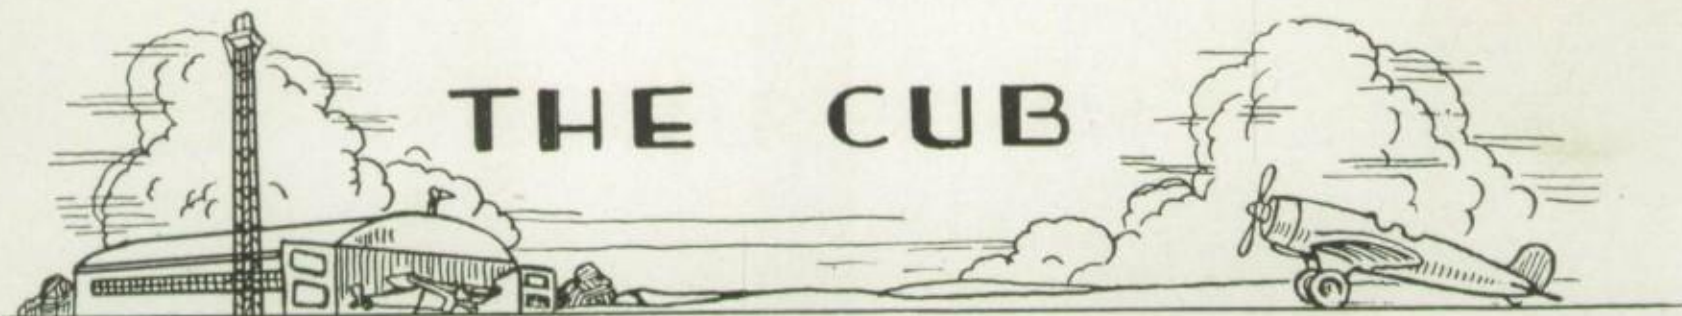

Nonchalantly another one of these "high-powered" students from Windsor drives her car up Charles Street and stops it before the edifice on the hill. We have all enjoyed Dot's companionship, her willingness to help others and many pleasant rides in her car. Next fall we expect to find her reciting in her usual competent manner in the Freshman class of some college.

JOSEPHINE MATHILDA NEFF

GIRLS' GLEE CLUB 2, 4; THE MINSTREL SHOW 2; THE GYPSY ROVER 4; TENNIS CLUB 2, 3, 4; HIKING CLUB 2, 3; FIRST AID CLUB 3; GIRLS' RESERVE CLUB 4; CLASS BASKETBALL TEAM 3; LA SOCIETE FRANCAISE 3, 4.

Joe entered R. L. H. S. as a quiet demure little lass, whose motto was "Silence is golden"; but as everything changes, so did she, and it isn't necessary to tell the rest. She upholds the family reputation of almost always getting on the honor roll. This portends well for her future which we understand will be spent specializing in Home Economics.

NORA ROMAINE OLP

TENNIS CLUB 3; SEC. OF O. B. SWIFT CORPORATION 3; HIKING CLUB 2, 3; CLASS BASKETBALL TEAM 3, 4; GIRLS' RESERVE CLUB 4; HILLTOP REPORTER 1.

Here comes one of the tallest girls in the Senior class. And take our word for it, she is a distinctive type with her black hair and large eyes. We understand that there is a Senior boy who has attracted Nora's attention. Her strength on the class basketball team helped them make many a victory.

M. ELIZABETH POMRANING

LOWER CHANCEFORD H. S. '29; NEEDLE-CRAFT CLUB 4.

This little lady is one of the "preferred stock—a blonde". She is talented in elocution and oratory, and during the year she has given many interesting readings. "Liz" comes from Lower Chanceford, where we hear that she was valedictorian of her class. She has decided to become a teacher.

ALLEN EDWARD POET

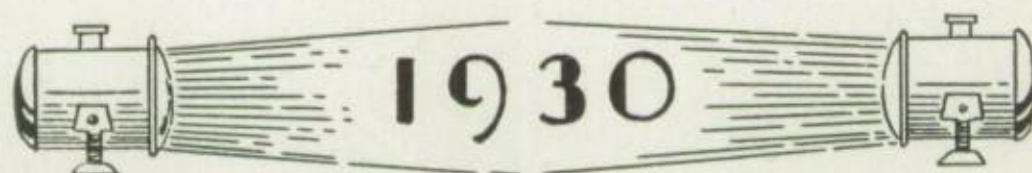

TRACK 1; O. B. SWIFT CORPORATION 3; TENNIS CLUB 3; 30 ACES CLUB 4; HILLTOP TYPIST 4.

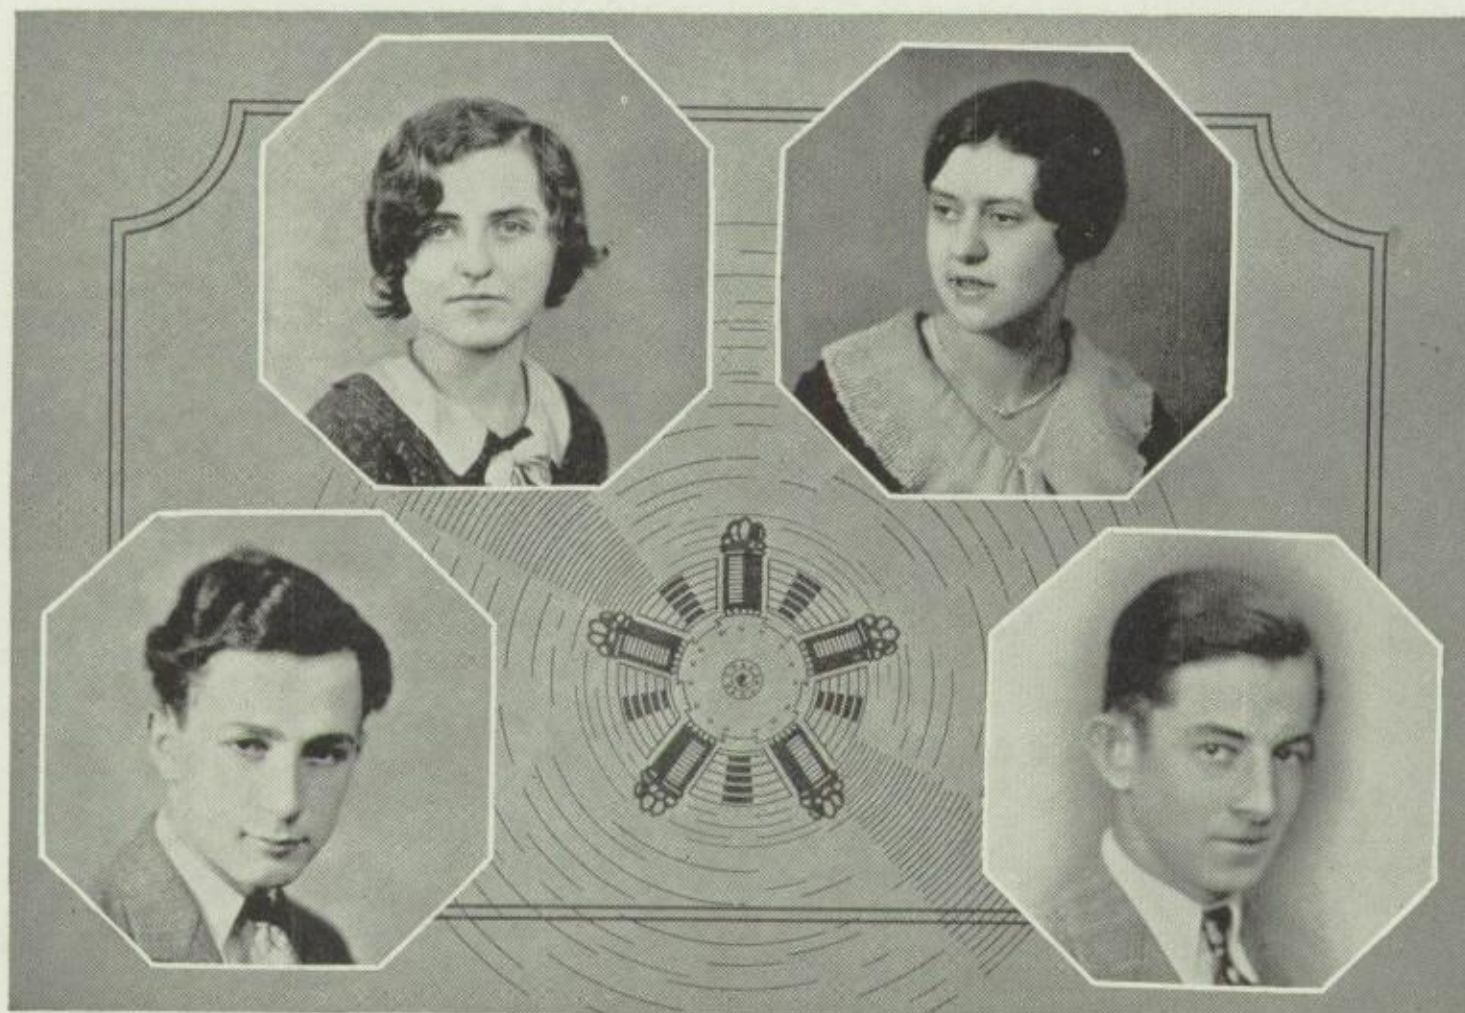

How much the work of the commercial students has contributed to the facility of publishing the Hilltop and the Cub only the faculty advisers realize. "Eddie" is one of the official typists. We also hear that he does quite a bit of entertaining in Law class and does it well.

ALICE ESTELLA RAUB

GLEE CLUB 2, 4; GYPSY ROVER 4; FIRST AID CLUB 3; HIKING CLUB 3; TENNIS CLUB 3; GIRLS' RESERVE CLUB 4; LA SOCIETE FRANCAISE 3, 4.

Alice is the girl who always appears to have stepped out of a bandbox, no matter how tired and dirty the rest of us become. "Et sait-elle le francais? Ma foi, oui! Bien sur, elle est presque une vraie francaise". The rumor goes that she is interested in a certain Ford and a "Trout", but you can't blame her for that, because it's a good combination.

ELIZABETH RACHEL REICHARD

GLEE CLUB 1, 2; YANKI SAN 1; HIKING CLUB 2, 3; FIRST AID CLUB 3; LA SOCIETE FRANCAISE 3, 4; NEEDLECRAFT CLUB 4.

"Now who giggled"? Of course, it was "Liz" with one of those sudden spurts of laughter. "Liz" is always certain to greet you with a smile. But she can also be serious, especially when one talks nursing. After graduation, she expects to study to become a nurse.

MADALENE GRACE ROSEMAN

HIKING CLUB 2, 3; TENNIS CLUB 2, 3; LA SOCIETE FRANCAISE 3, 4; FIRST AID CLUB 3; NEEDLECRAFT CLUB 4; ORCHESTRA 2, 3, 4.

"Maddy" is very seldom seen without Keren, and the two of them together create an untold amount of noise. Madalene's boyish bob attracts her class mates approval. A more enthusiastic forward on the class basketball team could not be found. Madalene wishes to be a nurse.

GEORGE F. P. RIDER

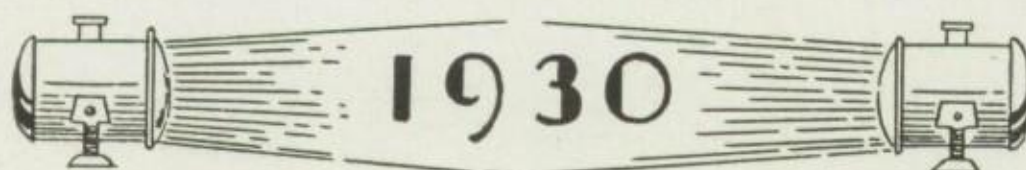

TENNIS CLUB 2, 3, 4; VIATOR CLUB 3; ASST. CUB ARTIST 3; GYPSY ROVER 4; GLEE CLUB 4; LA SOCIETE FRANCAISE 3, 4; CUB ARTIST 4.

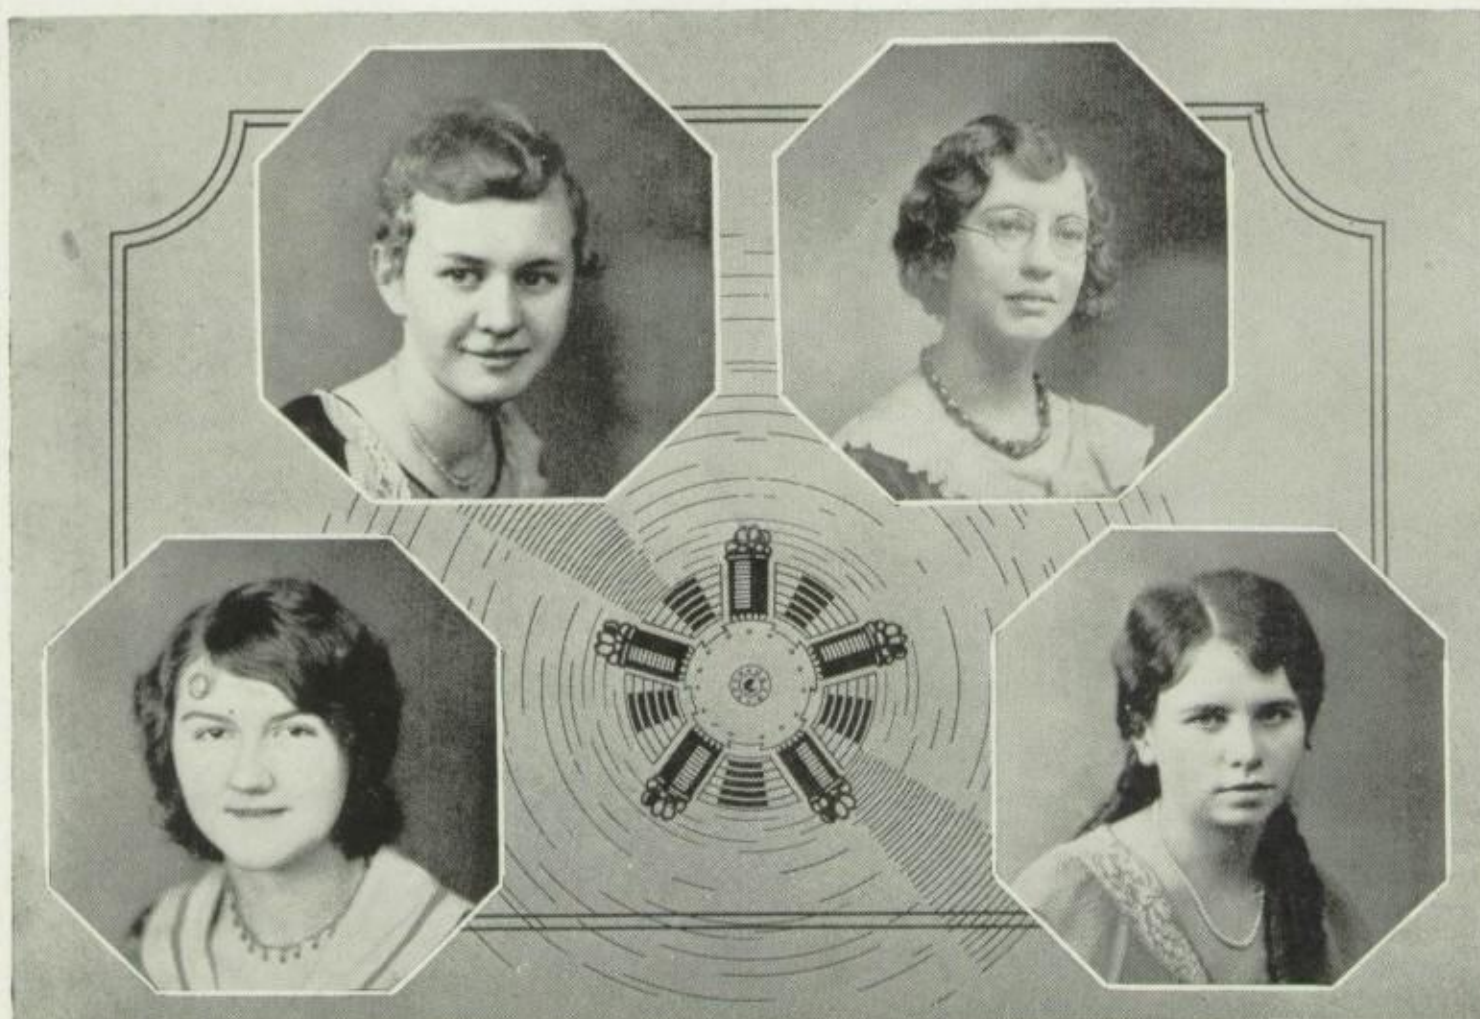

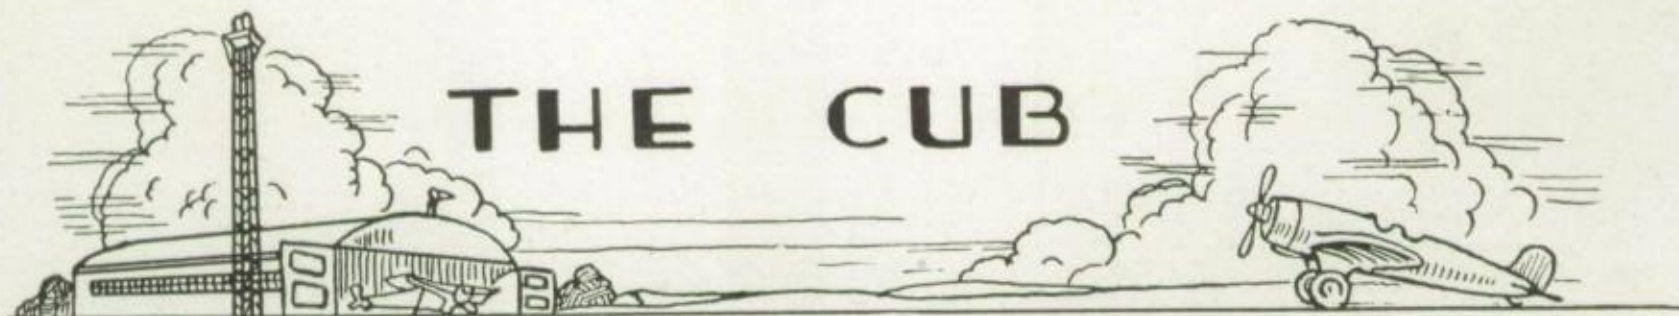

George is known among his classmates for his great artistic ability, of which this Cub helps to give proof. From his picture you can easily realize why someone is always presenting him a curling iron even though he doesn't need it. He expects to take up dentistry in the near future.

ROBERT MARTIN SCOTT

LOWER CHANCEFORD H. S. '29; AVIATION 4; CLASS BASKETBALL 4.

Jolly and always ready to do anything asked, is Bob, a graduate of Lower Chanceford High School. He was a star forward on the basketball team of L. C. H. S. and contributed much to the success of the Senior class team of R. L. H. S. "Keep your sunny side up" is his motto and we aren't speaking of Robert's hair.

ADA IRENE SEITZ

GIRLS' GLEE CLUB 3, 4; GIRLS' FIRST AID CLUB 3; LA SOCIETE FRANCAISE 3, 4; SEC. OF NEEDLECRAFT CLUB 4; GYPSY ROVER 4.

Ada comes from the hills and valleys of Felton. She is one of the few girls of our class who is seen and not heard. Once Ada becomes your friend she is always your friend. We hear she is very much interested in a doctor-to-be. She expects to go to Millersville for further study.

HESTER MARIE SHENBERGER

CLASS BASKETBALL TEAM 3; GIRLS' FIRST AID CLUB 3; NEEDLECRAFT CLUB 4; LA SOCIETE FRANCAISE 3, 4.

Even "ven the vind blows in Vindsor" Hester faithfully crosses the portal marked "Enter to learn". When she first came to R. L. H. S., Hester was "razzed" about "Vindsor" and still is for that matter. In all she has attempted she has been most successful and there is no doubt what sort of a nurse she'll be. None can claim a sunnier smile nor a more generous heart.

GLADYS MARDELLA SEVIS

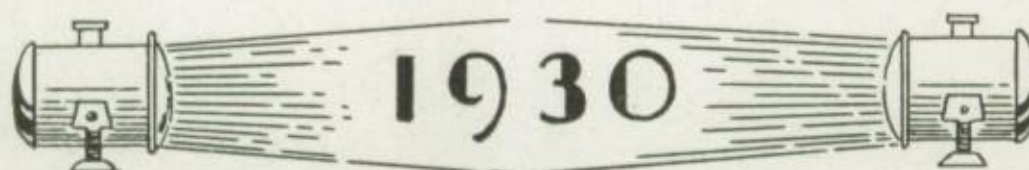

TREASURER OF O. B. SWIFT CLUB 3; GIRLS' RESERVE CLUB 4.

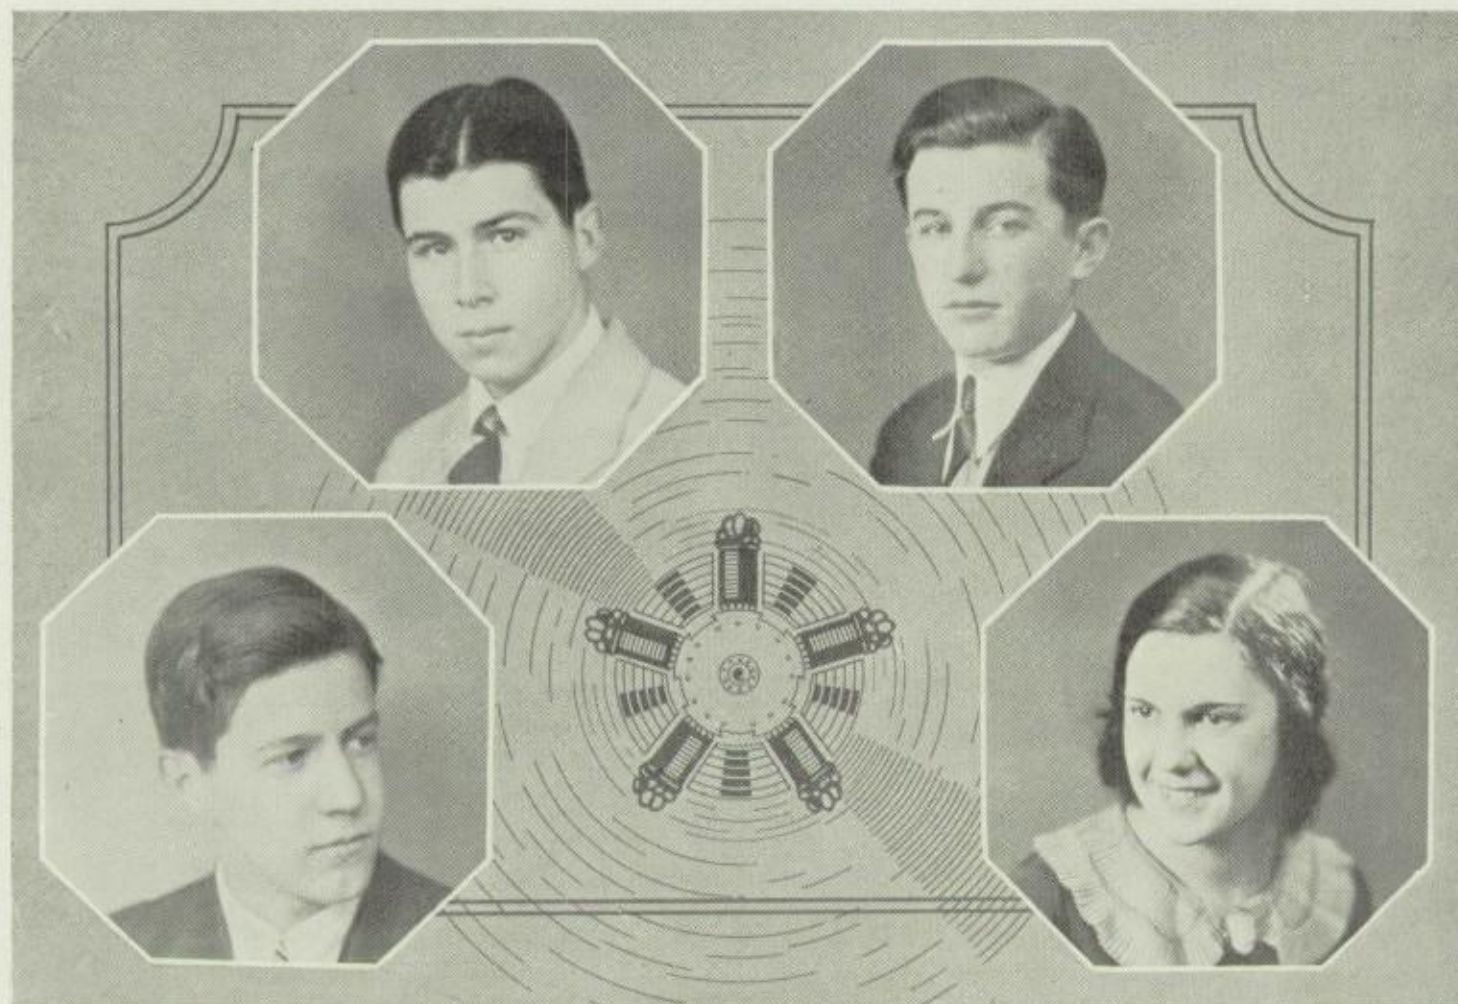

From Springvale comes this studious Senior. If we all should mind our own affairs, as well as does Gladys, we, the Seniors, wouldn't get into half as much trouble as we do. However, she has one confessed weakness — and he lives at Shrewsbury. Every time she gets her pretty blue Chevy out — it heads straight for Shrewsbury.

VIOLET NAOMI SMELTZER

GLEE CLUB 2; PRES. OF O. B. SWIFT CLUB 3; GIRLS' RESERVE CLUB 4; CLASS BASKETBALL 4.

Nimble fingers add equally to success on the typewriter and on the piano. Springvale sends us this demure maid most proficient on both. And as for dignity—just try to find a Senior who has more. Violet is so dignified no one is even tempted to pull her curls.

CARL EDWIN SMITH

TREAS. OF CLASS 4; CLASS BASKETBALL 2, 3, 4; LATIN CLUB 3; 30 ACES CLUB 4.

Ladies and gentlemen: Allow us to present one of our lads of English descent. If you need a friend, one that is always ready to help you, just look for Carl. We understand he expects to take up music and feel that "born for success he seems, with grace to win and heart to hold".

HORACE EDWARD SMITH

Station R. L. H. S. introducing the boy with versatility! Horace is editor of our school paper and his splendid work has maintained the high-standard of previous years. He is very capable in dramatics and when Horace gives a speech we all think it is Cicero himself.

Many of our readers will undoubtedly remember "Noe" as the English fop "Doncha know", of Gypsy Rover fame; or the erstwhile mechanic beloved by Cinderella O'Reilly. His interests in dramatics lead us "Talkies" some day.

"Belle of the gypsy camp", "a French maid", "a renowned movie actress", "an Irish orphan": all of these characters Vivian has portrayed for us with equal ease. "Bib" is one of our hard fighting guards on the basketball team.

DOROTHY IRENE SNYDER

CLASS SECRETARY 2; GLEE CLUB 1, 2, 3; ORCHESTRA 3, 4; LATIN CLUB 3; PURSER—S. S. GLOBETROTTERS 4; HILLTOP REPORTER 1, 2.

Dorothy's greatest inspiration is harmony. Not only in school, but also in church work, she contributes generously of her time to all musical organizations. She has ably kept the "log" of the Travel Club this year and added much to its programs. Dot is jolly and full of fun, and should gain many friends when she goes away to study music next year.

CLASS SEC. 2; CLASS BASKETBALL 3; GYPSY ROVER 4; GLEE CLUB 1, 2, 4; TENNIS CLUB 2, 3; HIKING CLUB 2, 3; FIRST AID CLUB 3; GIRLS' RESERVE CLUB 4.

Kathryn is known to her classmates as "Dimples". And now you know why everyone likes to see her smile. In assembly programs she has proved to us her dramatic ability. We do not know what Kathryn intends to do, but we will probably hear in the future of her success as a Private Secretary to the President or some person of equal importance.

Meet one of the coaches for the seventh and eighth grade girls' basketball team, who is none other than "Noot". When we see Marian, we are instantly reminded of Goldy-Locks because of her golden hair and blue eyes, but we soon lose the impression because we never see any trace of the three bears around.

Ruth is forward on the basketball team and deserves a lot of credit for piloting her team to victory. Mathematics and "Spriggy" are good friends and her one ambition is to be a mathematician.

STERLING EUGENE STINE

O. B. SWIFT CLUB 3; CLASS TRACK TEAM 4;
30 ACES CLUB 4.

The word "Sterling" has long since become a trademark denoting good quality. Therefore it quite fittingly applies to its bearer, Mr. Stine. His non-curricular interests are in track, aviation, and, we are told, a fair maiden of the Freshman class who wears his ring. Accuracy attained in typing and shorthand should be of benefit to whatever work he chooses.

VALERIA ALVERTA STEIN

CLASS BASKETBALL 1, 2; VARSITY BASKETBALL 3, 4; FIRST AID CLUB 3; GIRLS' RESERVE CLUB 4; HIKING CLUB 2, 3; TENNIS CLUB 2, 3; LA SOCIETE FRANCAISE 3, 4; GYPSY ROVER 4; GIRLS' GLEE CLUB 4.

"Valer" is an ardent member of "our gang" among whom she holds the highest record for fast and effective speech. And this is no small honor where there is so much competition! She has taken an active part in basketball for the past three years. "Steiny" intends to teach, and you may well imagine that she will make a charming "school marm".

DORCAS ISO DEAN STITELY

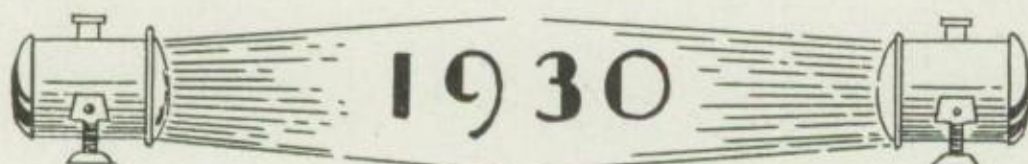

DRAMATIC CLUB 1, 3, 4; LA SOCIETE FRANCAISE 3, 4; HIKING CLUB 2, 3; TENNIS CLUB 2; AM 1 INTRUDING? 3; WHOLE TOWN'S TALKING 3; ASSO. EDITOR HILLTOP 3; EXCHANGE EDITOR 4; TRACK TEAM 1, 3; VARSITY BASKETBALL 3, 4.

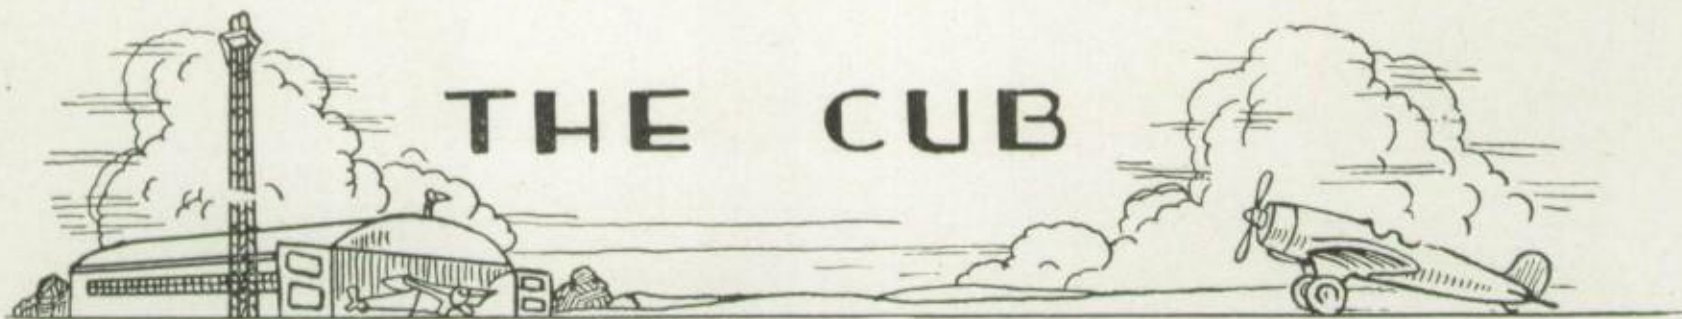

Presenting the "poet laureate" of R. L. H. S. From the very beginning of her high school career Dorcas' school life has been one of great interest. She is a charming actress, a brilliant athlete, studious, cheerful, and companionable. These are some of the qualities that have made Dorcas a favorite with her classmates.

JAMES KENNETH THOMPSON

VICE-PRES. SENIOR CLASS 4; VARSITY BASKETBALL 1, 2, 3, 4; CAPT. VARSITY BASKETBALL 4; CAPT. VARSITY BASEBALL 2, 3, 4; TRACK TEAM 1, 2, 3, 4; LA SOCIETE FRANCAISE 3, 4; GYPSY ROVER 4; VIATOR CLUB 3; BOYS' GLEE CLUB 4.

"Frere Jacques, frere Jacques, Dormez-vous, dormez-vous"? You don't find our "frere Jacques" sleeping on the basketball floor. As captain and forward, he has helped lead the varsity to many victories. Jimmie possesses a keen eye for good looking girls and is a firm believer in "gentlemen prefer blonds".

WILLIAM FORDYCE THOMPSON

ORCHESTRA 1, 2, 3, 4; GLEE CLUB 4; SEC. TENNIS CLUB 2, 3; DRAMATIC CLUB 2, 3; CLASS BASKETBALL 2, 3; CLASS SECRETARY 1; INSTRUCTOR MANUAL TRAINING 2.

"Ford" is characterized by his happy-go-lucky disposition and customary smile for he seldom worries about anything. There is something he takes quite seriously however and that, of course you know, is his violin. Ford can sit comfortably pulling the bow over the strings while the rest of us are stumbling over six or seven flats. Girls? Oh yes, there seem to be quite a few in his life, especially those from Washington.

WILTON ANDREW THOMPSON

BIRDS' CHRISTMAS CAROL 2; ORCHESTRA 1, 2, 3; DRAMATIC CLUB 1, 2, 3; LA SOCIETE FRANCAISE 3, 4; BOYS' GLEE CLUB 4; CHEER LEADER 3, 4; GYPSY ROVER 4; CINDERELLA O'REILLY 4; HILLTOP 2, 3, 4.

"Dumpy", is another member of the musical Thompson family. Although he is one of our little boys he takes part in all class activities and has proved himself a reliable person. His dramatic ability has brought him before the eyes of the public several times during his High School career.

JANET FLORELLA TOSH

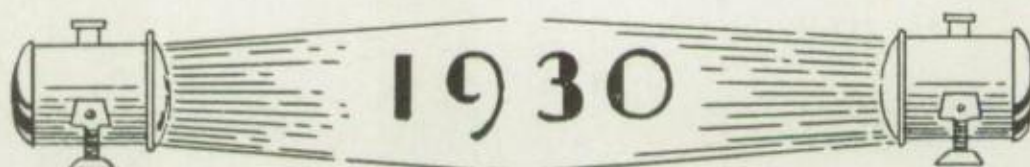

HIKING CLUB 1, 2; SEC. OF SOPHOMORE CLASS 2; LA SOCIETE FRANCAISE 3, 4; FIRST AID CLUB 3; SEC. OF NEEDLECRAFT CLUB 4.

"Toshy" seems to be one of the hungry girls of our class, for her pet expression is "I'm hungry, why don't we go somewhere to eat"? She also seems to have a certain weakness for milk bottles. Janet has a good rating in her studies, and many friends among her classmates.

C. WILLIAM TROUT

HOME ROOM REPORTER 1; CLASS BASKETBALL 2; ATHLETIC CLUB 3; GYPSY ROVER 4; BOYS' GLEE CLUB 4; LA SOCIETE FRANCAISE 3, 4.

"A rag and a bone and a hank of hair"—but who is this "vampire" who takes all of "Doc's" time and affection. None other than "Miss Red Lion" herself and like a true vampire she entices the affection of several other Senior lads, to whose happiness she contributes her daily conveyance to and from school. William, being 6 feet 2 inches, can boast that he makes almost everybody look up to him, even his father. He is our expert salesman and traveler.

ROMAINE VIOLA WAUGHTEL

TENNIS CLUB 3; O. B. SWIFT CORPORATION 3; HIKING CLUB 2, 3; CLASS BASKETBALL TEAM 1, 4; GIRLS' RESERVE CLUB 4; GYPSY ROVER 4; GLEE CLUB 2, 4.

"Red" is one of our talkative commercial students. When Nora and Kathryn are in company with "Red" you may be prepared for plenty of chatter and giggles. Consequently you are sure of having a good time when you are with Romaine. She is a good student and knows how to secure the A's and B's.

MYRLE THEADORE WISE

LA SOCIETE FRANCAISE 3, 4; LATIN CLUB 3; S. S. GLOBETROTTERS 4.

"Oh Pshaw"! If you happen to be in the gym on Thursday, in the first period, Senior class, you will probably hear Myrle use this expression, if he fails to hold the basketball, or commits some other error in gymnastics. Myrle very rarely misses a day of school and is a very studious chap.

IVA ELLEN WORKINGER

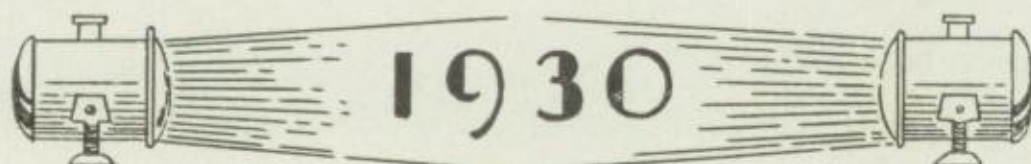

GLEE CLUB 1, 2, 3, 4; GYPSY ROVER 4; FIRST AID CLUB 3; GIRLS' RESERVE CLUB 4; HIKING CLUB 3; YANKI SAN 1; MINSTREL SHOW 2; LA SOCIETE FRANCAISE 3, 4.

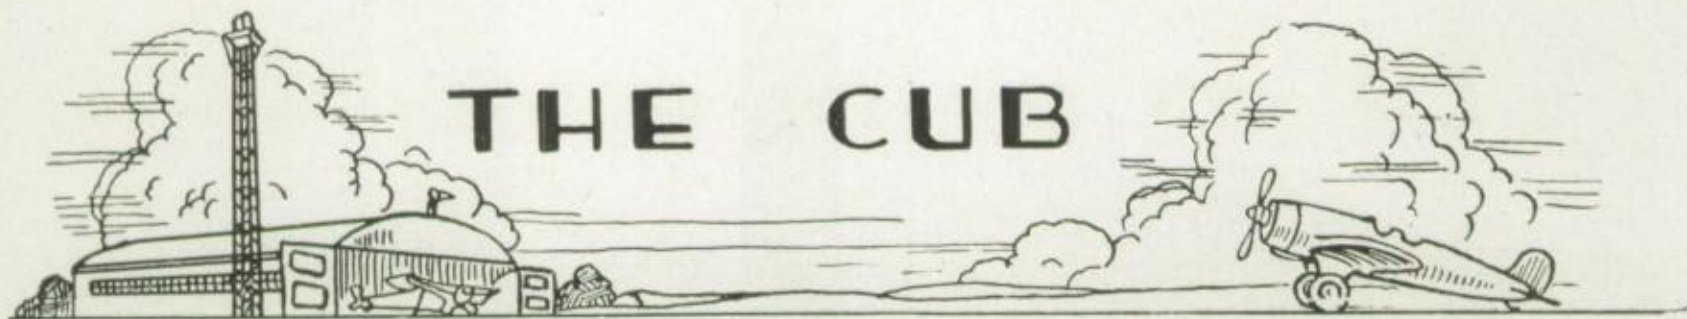

"There was a little girl and she had a little curl right in the middle of her forehead. And when she was good she was very very good——." It isn't necessary to finish the rhyme for we never saw Iva otherwise. Oh yes she giggles at times but who minds that! Iva has assisted the librarian and the nurse and has produced excellent results on the sales committee for the Gypsy Rover.

WILLIAM GUSTAVUS WIMMER

ENTERED FROM KENNETT SQUARE HIGH SCHOOL; GLEE CLUB 4; GYPSY ROVER 4.

Although "Bill" is a Canadian, he finds Pennsylvania a desirable place in which to live. His ability is quite noted in Problems class. Bill's one desire is to be an aviator. We hope that after he gets his name in the headlines of some big newspaper he will remember us as we remember him.

Gold and Black Dramatic Club

The Dramatic Club is one of the oldest clubs existing in Red Lion High School. This year, as usual, many pupils were attracted to the club, now called "Gold and Black". At the first meeting this year the club members were divided into four separate groups and each group elected its leader. These groups are responsible in turn for sponsoring the club programs. At each meeting, one or two one-act plays are produced, reports on famous actors and actresses are made, and readings given. All members of the club have profited by being associated with it and have developed their dramatic expression either by participation or appreciation. Pupils who belong to the "Gold and Black Dramatic Club" this year, will be aided in preparation for future plays given by the high school.

30 Aces' Club

This club, an entirely new one in Red Lion High School, is interested in aviation. It is under the direction of Mr. H. K. Johnston and includes 30 boys of the Senior High School. The purpose of the "30 Aces Club" is to enable the members to learn the "How and Why" of flying and to promote a general interest in that rapidly growing industry—aviation. The club decided to take up in their meeting such subjects as "How and Why does an airplane fly", the different types of aircraft, the progress made in aviation, and the building of model airplanes. Application has been made and obtained from the members of the Red Lion School Board to paint an airway marker on the top of the school building. This sign consists of name Red Lion in huge letters. An arrow compass-marker pointing due north, and an arrow pointing to and naming the nearest airport, Middletown.

The pupils are taught appreciation for the different types of needle-craft in order that they can judge fine workmanship. Unusual interest is displayed by members and much work has been accomplished.

The purpose of the Nature Club is to better acquaint the student with the world about him. Many students do not notice the interesting things in nature until someone points them out. Others have superstitions and incorrect or inaccurate ideas about various plants, animals, or natural phenomena. The Nature Club attempts to replace these erroneous ideas with facts that will lead to greater appreciation for the true wonders of nature. The plan of the Club is to study plants and animals in their relation to us. The results of the research of famous biologists will be studied and the students will endeavor to carry their observations into every day life. Conservation of plant and wild animal life will be studied in a practical manner with actual application

Lorie—We've had a number of reports. Some of the most interesting ones were on the "Seven Hills of Rome", "Roman Gods" and "The Story of Cupid". Mr. B.—That sounds interesting. Lorie—We've learned several Latin songs and games. You remember we sang some of the songs in Assembly. We also learned an exciting adding game and made Latin Valentines that were very original and artistic. Even elephants and water pumps were saying "Te Amo". Mr. B.—I think I would like to belong to that club. Lorie—Oh! I almost forgot our scrapbooks. Mr. B.—Scrapbooks? Lorie—Yes! You see we put Latin sayings and songs in them.

Miss Kreidler inspects the work and help is given as needed. Each one has finished at least two pieces and several have completed the third. Before Christmas a number embroidered tea towels, guest towels, pillow tops, aprons and even dogs for Christmas gifts. Learning the Italian hemstitch requires great patience and skill. A campfire club is a unit of 20 girls according to national rules, thus it was necessary to establish two distinct groups. Under the sponsorship of Miss Edna Wilson the seventh grade girls chose the Indian name "Newotompatummin", signifying, "We are Friends". With Miss Carrie Curran as their club adviser, the eighth and ninth grade girls selected the name "Netoppen", signifying "Friends". The seven ideals of these organizations are as follows: "Seek Beauty, Give Service, Pursue Knowledge, Glorify Work, Be Trustworthy, Hold on to Health, and Be Happy". Some of our activities have been: choosing Indian names and symbols, learning Camp Fire Songs, conducting a ceremonial meeting, observation of good deeds done by others, telling of Indian stories, making of notebooks with Indian designs, hikes, social hours, dramatization of various phases of Indian life, and outdoor games.

Two leaders who take charge of 14 girls and get articles ready for projects, are selected at each meeting. These girls act as teachers and show the other pupils how to make the problem. Some of the problems this year were: Colorful bead bouquets to be worn on coats and dresses, long beaded necklaces made of wall paper, vases made from bottles and covered with Christmas envelope linings, silhouette pictures painted on glass and backed with gold, silver and bright tinfoils.

The younger pupils have taken great interest in music and many will be allowed to become members of the Senior Orchestra next year. The Senior High School Orchestra contains the best musicians of our school. The first public appearance of the orchestra was at the play "The Gypsy Rover" and much credit belongs to the orchestra for the play's success. This year the orchestra had the honor of playing for the meeting of the York County School Directors, which was held in the Courthouse at York. The Girls' Glee Club is an established organization of the school and contributes to many of its entertainments. The past year its enrollment has been the largest it has ever had. Among the new clubs added this year, is the Boys' Glee Club, consisting of 19 members, the nucleus for future growth. The purpose of these clubs is to develop an appreciation of good singing. In their meetings songs for assembly and musical programs are rehearsed. The two clubs, boys' and girls', produced very successfully the musical comedy "The Gypsy Rover". This production was witnessed by approximately 1500 people on the three nights it was given. The clubs also sponsored the May Festival. Miss Maxine Sweeely, the music supervisor is responsible for the success of these two clubs.

Boy's Varsity Basketball

Didn't it make your blood tingle and your heart thump when you saw your team playing an extra period with all spirit and fight they had to give? Remember the Y. C. I. game when a miraculous shot secured the victory for "dear old Red Lion High". What a thrill! This year's team had only one year's coaching, Thompson being the sole veteran of the number. Meeting it's two hardest opponents in the first two games, the varsity went down to defeat, due to the inexperience of the players. This handicap was so great that we were not able to overcome it. Thompson and Eaton will graduate this year but we will have six members for the squad next year. The line up is as follows: James Thompson, forward; Otto Laucks, forward; Kenneth Bicking, forward; William Craley, forward; Felnor Seaks, center; Donald Eaton, guard; Palmer Lutz, guard; Edward Hall, guard.

Girls' Varsity Basketball

Here are the Victors of York County Basketball League—the Red Lion Girls' Varsity. The line up for the first team follows: Flo Kinard, center, Captain; Charlotte Baker, center; Marion Snyder, side center; Grace Lutz, side center; Ruth Sprenkle, forward; Dorcas Stitely, forward, Ass't Manager; Charlotte Hildebrand, forward; Audrey Flinchbaugh, forward; Vivian Smith, guard, Manager; Valeria Stein, guard; Edna Burg, guard. The Girls' Varsity has had a very successful basketball season, losing one game out of eight, to Wrightsville. This is the last year that this group will play together as all but two of them are Seniors. However, the coach has some good new material in store for next year's team. Miss Adams may well be proud of the record made by her team, which scored 189 points for Red Lion and 115 made by its opponents.

TRACK SQUAD

Track

For the first time since 1923 Red Lion High carried away track honors at Millersville. Beside winning the team trophy Red Lion High also brought home the individual cup for highest scorer which was won by Arthur Ness. He showed remarkable form by winning the 100 yard dash, 220 yard dash and running as anchor man on the relay team. In the annual interclass meet the Juniors were victorious, easily defeating the Seniors, their nearest rivals by $20\frac{1}{2}$ points. In the annual York County Meet the followers of the track team received a surprise. Red Lion High did not carry off first honors as many hoped they would but lost to Wrightsville High. In spite of this defeat the Gold and Black will put forth a good team next season as very few men are lost by graduation.

Baseball

From the very beginning of the training season, Coach Nitchkey faced a difficult problem. Although the number of candidates reporting for practice was large, very few veterans were numbered among them. This meant that a large amount of green material had to be developed for the vacant positions. The most glaring weakness was in the pitching and catching departments as there were no experienced men eligible for these positions. Hake, Bicking, and Craley were rounded into a pitching staff which show a great promise for another season. Although the season was not as successful as might be expected the outlook for next year is exceedingly bright. The new men will all have had one year of experience and in addition to this only two men will be lost through graduation, namely, Kinard, third baseman and acting captain; and Detwiler, first baseman.
